

Eisenhower Answers Stevenson's Quips In His Speeches Today

By JACK BELL

Aboard Eisenhower Special, En Route Indiana (AP)—Gen. Dwight D. Eisenhower comes up today with his first answer to the satire directed at the Republicans by Gov. Adlai E. Stevenson of Illinois.

The answer, in the words of Gov. Sherman Adams of New Hampshire, top Eisenhower adviser, is: "The campaign to elect the next president of the United States is no laughing matter, to be handled lightly with quips and puns."

Eisenhower, the Republican nominee, thus sought to turn against Stevenson the tone with which the Democratic candidate pointedly has jabbed at the general and the party back of him.

No Laughing Matter

In a series of whistle stop appearances in Indiana, the general prepared to pose political issues and inquire of his listeners if any of these is "a laughing matter."

The train's first scheduled stop was Ft. Wayne, Ind.

Adams said in a statement that Eisenhower himself "will continue to present honestly, simply but

thoroughly to the American people the issues and problems that confront them at these critical times."

This presentation was expected to take the form, in the 12-day, 12-state train tour on which he has embarked, of a three-pronged attack on Democrats on the issues of Korea, corruption and communism.

Korea Top Issue

Sen. Frank Carlson of Kansas, one of the general's top advisers, told this reporter the Eisenhower camp is convinced by a private survey of its own that Korea tops all other issues in eight Midwest farm states.

Carlson said voters were asked to name from a list of 10 their choice of the top issue. He said 27.4 per cent put Korea ahead of all others.

Eisenhower has accused the Truman administration of "bungling" its way into the Korean conflict. Stevenson has defended President Truman's actions.

As Eisenhower's 18-car special

Pennsylvania Hunts 3 Fugitive Robbers Without Single Clue

ALLENTOWN, Pa. (AP)—Without a single positive clue for nearly 72 hours, police officials clung stubbornly today to the belief that three fugitive bank robbers, target of Pennsylvania's greatest manhunt in years, still might be holed up somewhere near this northeastern industrial city.

They acknowledged, however, a growing possibility that the men had slipped away.

State police, FBI men and local officers, all heavily armed, were cautiously on the lookout for the three who have been described officially as "desperate and vicious." Roadblocks and patrols covered main and rural roads over an area hundreds of miles square.

"There is nothing to indicate the fugitives have gotten out of this area," said Arthur Cornelius, agent-in-charge of the Philadelphia FBI office.

He disclosed that additional G-men were summoned here yesterday after one "hot tip" that the men had been seen near Pen-Mar,

Pa., 120 miles to the south, apparently was canceled by a fruitless search.

Officers got a steady trickle of reports that one or more of the men had been seen. Every one was given a quick and thorough check. But state police admitted that the last time they were certain the fugitives had been seen was about 12 p. m. Friday at near-by Guthrie.

One Man Knifed

Officers said they were confident that the three men had not gotten the stolen car in which they were riding past the many roadblocks thrown up about that time. But the two-tone Pontiac sedan hadn't been sighted and officers said it was possible the men might have obtained another car, or cars.

Five autos have been reported stolen within a 100-mile radius of here within 48 hours. One which was being sought particularly was a maroon 1950 Studebaker sedan taken from an Allentown street early Saturday.

The fugitives are Joseph Nolen, 26, and his brother Ballard, 22, both of Harlan County, Ky., and Elmer Schuer, 21, of Chicago. All were serving long terms for bank robbery when they fled the Federal Penitentiary at Lewisburg, Pa., early Wednesday.

Since then they have stolen at least four cars; knifed one man; looted a West Reading, Pa., sporting goods store of six shotguns and a quantity of ammunition; held a family of seven captive for 19 hours while they ate and rested; and obtained \$240 in the holdup of a roadside diner at Hamburg, Pa.

Band Of Women Spies Smashed

PUSAN, Korea (AP)—South Korean police have smashed a band of 17 women spies operating from within the United Nations organization, the government announced today.

Police arrested 17 women, including two alleged ringleaders.

The announcement followed by one day disclosure that a spy ring of 17 men had been broken up.

The two leaders were identified as Miss Pak Chung Ja, 25, and Miss Yoon Chil Sung, 24, both graduates of the Seoul Women's Medical College.

The government said Miss Pak received special Communist training in North Korea. She returned to South Korea six months after the war began June 25, 1950, and has been working in a United Nations unit.

The government said Miss Pak and Miss Yoon befriended other South Korean women who had contacts with the U. N. forces and persuaded them to join the spy ring.

U. S. Bombers Strike Only 40 Miles From Red Siberia

Stevenson Goes After Votes In Doubtful States

By RELMAN MORIN

SPRINGFIELD, Ill. (AP)—Gov. Adlai Stevenson, mapping strategy on the basis of reports from his first campaign swing, prepared today to an assault on the Atlantic Seaboard, battling for four states that are considered "doubtful" in this election.

The Democratic presidential candidate opens his second major drive next Thursday.

His line of march takes him through Connecticut, into Massachusetts, New York, Maryland and Virginia.

New York "Safe"

Of the five, his managers consider New York "reasonably safe." They expect a grim fight in the others. The Democrats lost Maryland in 1948, possibly because of votes siphoned off by Henry Wallace's Progressive party. Political analysts in Connecticut believe the growth of industry there may have tipped the balance to the Democrats this time.

One of the top Virginia political leaders told this correspondent, before the Republican convention: "If the Republicans nominate Eisenhower, and the Democrats fumble the ball here, this state is going Republican this year."

Although the schedule calls for

Bootlegger Held In Police Killing

JASPER, Ala. (AP)—A 30-year-old accused bootlegger whose quiet surrender ended a bristling manhunt is being held in the slaying of two officers.

Horace Bradberry was hustled off to jail at Birmingham when he gave up yesterday.

A posse of more than 300 officers and volunteers had sealed off the thick woods into which Bradberry fled after the killings. Two airplanes aided the posse.

Bradberry placed himself in the hands of Coroner Porter White only 30 minutes before the ring of searchers planned to close in upon him.

White said Bradberry admitted shooting Deputies Herman Treece, 45, and Frank Harbison, 21-year-old nephew of Sheriff Charles Harbison of Walker County.

The coroner said he expected that murder charges would be filed against Bradberry today.

The officers had gone to Bradberry's home three miles north of Jasper in this dry county to search for illegal liquor.

Michigan Democrats Demand Even Break On Election Boards

LANSING (AP)—The Democratic State Central Committee was prepared today to force, if necessary, an equal break for its party on election boards and boards of election canvassers this fall.

State Chairman Neil Staebler told the committee at a Sunday campaign meeting that, "If county officials are determined to flout the law it is a possibility there will be challenges filed to the entire returns from that county."

The committee repeated concern first expressed by party leaders after the close of the 1950 state election which saw Gov. Williams reelected by only a handful of votes and a recount. Leaders charged then that some counties did not obey the law to give both Republicans and Democrats membership on local election boards.

The committee asked a committee of Democratic lawyers to consider proposing an election law change which would require city

and township clerks to select election boards from lists of party faithful submitted by county political committees, or at least allow the committees to veto names chosen by the clerks.

Members reported they still were having trouble convincing local clerks to give "true" Democrats membership on local election boards and on county boards of canvassers.

Ike Sets Precedent

MALIK'S FINAL DEFEAT?—Jacob A. Malik, Russia's delegate to the United Nations, glumly watches as Britain's John Coulson, center, and Warren Austin, of the United States, vote before the Security Council to debate the membership applications of Japan, Libya, Laos, Cam-

bodia, and Viet-Nam. Malik, who will return to Moscow in the near future, had insisted that the applications of the five states be referred to the council's committee on membership. Malik was voted down 8 to 1, with two abstentions.

Lewis Goes In Huddle As Coal Strike Looms

By NORMAN WALKER

WASHINGTON (AP)—With a possible coal strike only a week off, John L. Lewis huddles with his 200-man Policy Committee today to map negotiating strategy.

The contract between the United Mine Workers union and the Northern mine owners expires on Saturday. Since that is not a working day, the first opportunity for the miners to stay away from work would be next Monday.

Lewis' union members traditionally won't work without a contract. However, agreements with Southern soft coal operators and with the Pennsylvania anthracite, or hard coal, owners extend until Sept. 30.

No Settlement Sighted

The UMW Policy Committee, due to meet with Lewis in mid-afternoon, is the group Lewis usually consults when major union decisions are to be made. It always ratifies contracts before their terms are made generally known.

Royalty Boost Asked

Lewis has been talking with both men separately for some weeks. Their talks are reported to have touched on suggestions for higher wages, an increase in the 30-cent a ton welfare fund royalty payments, and plans for more regular employment among miners.

Actually, an agreement was reported to be close in the anthracite industry. Representatives of the Eastern Pennsylvania hard coal operators are to see Lewis again tomorrow. A Lewis demand for a 20-cent boost in the present 30-cent royalty is the main issue.

Taft On Radio Wednesday Night

WASHINGTON (AP)—The first of several nationwide broadcasts by Sen. Robert A. Taft on behalf of Gen. Dwight D. Eisenhower will be made at 9 p. m. Eastern Standard Time, Wednesday over NBC.

Arthur E. Summerfield, Republican national chairman, said Taft's opening campaign speech for the party's presidential nominee will be entitled "Progress Through Liberty" and will originate at a rally in Springfield, O.

Taft, replying to a question about his campaign plans during a CBS television show last night, said:

"I expect to be out three or four days every week during the six weeks of the campaign. I suppose we'll cover 15 or 16 states."

India Party Urges Big 5 Peace Talks

BOMBAY, India (AP)—Prime Minister Jawaharlal Nehru's All-India Congress party has called for the United States, Britain and France to meet with Russia and Communist China to settle East-West differences and start world disarmament.

The ruling party's policy-making Congress Committee, meeting at approved a resolution urging the Big Five conference. The proposal reportedly was drafted by Nehru.

Son Hunts Father 10 Years; Finds Him Dead In Car Mishap

TAMPA, Fla. (AP)—Sgt. Kenneth E. Micken searched for his father for 10 years and found him a day late—dead in a traffic accident.

The father, 61-year-old Matthew Micken, had been a commercial fisherman in Tampa for 20 years. Sgt. Micken, stationed at MacDill Air Force Base here since February, said he was an ardent sports fisherman and probably had been near his father many times without realizing it.

Micken was killed Friday night. The son read about it the next morning in a newspaper, checked with authorities and found the dead man was the father who left his family in Superior, Wis., more than 26 years ago.

It also helps draft strike plans.

John Basarello of Pittsburgh, head of the union's District No. 5, said over the week end he knew of no soft coal settlement in the works, but felt the calling together of the Policy Committee was a hopeful sign.

It was reported that some progress has been made in the soft coal, or bituminous, industry peace talks, but not enough to assure an agreement before a strike could develop. However, both sides were described as seeking to avoid a shutdown.

Lewis may meet during the day, too, or possibly tomorrow with Harry Moses, chief negotiator for the Southern Coal Producers Association.

Royalty Boost Asked

Lewis has been talking with both men separately for some weeks. Their talks are reported to have touched on suggestions for higher wages, an increase in the 30-cent a ton welfare fund royalty payments, and plans for more regular employment among miners.

Actually, an agreement was reported to be close in the anthracite industry. Representatives of the Eastern Pennsylvania hard coal operators are to see Lewis again tomorrow. A Lewis demand for a 20-cent boost in the present 30-cent royalty is the main issue.

Hope Dim To End Iran Oil Dispute

By JOHN M. HIGHTOWER

WASHINGTON (AP)—American officials are almost despairing of efforts to end the Anglo-Iranian oil impasse.

Authorities said privately today that Premier Mohammed Mossadeq has shown no interest in the proposal sponsored by President Truman and Prime Minister Churchill Aug. 30 to get negotiations going again.

Furthermore these officials who had previously been counting on concessions made to Mossadeq in that proposal, have no moves in readiness if the situation should go from bad to worse.

High Officials Arrive

Two Iranians who have been closely associated with the Premier politically are due here soon and the oil situation is expected to concern them both.

One of those, scheduled to arrive early in the week, is Hussein Mak-

Boy, 5, Claimed By Two Fathers

SIoux CITY, Ia. (AP)—City bacteriologist Thomas Corothers said today he hopes to determine the blood type of the mother of a 5-year-old boy in order to determine which of two men, both of whom claim the child, is the father.

The mother, Mrs. Violet Phillips, 24, was killed in an auto accident last month.

The two men, Wilbur Johnson and Glenn H. Phillips, took blood tests Saturday which proved inconclusive. Phillips has Type A blood, the same as the boy. Johnson has Type O. Either man could have been the father if the mother had Type A blood, Corothers said.

Corothers said he hoped to find the mother's blood type at a Sioux City hospital where she had undergone two operations and given birth to the boy.

Mrs. Phillips formerly was married to Johnson. She sued for divorce in December, 1946, and was granted a decree in April, 1947. She lived with Johnson for several months before the decree was granted and at the same time worked as a housekeeper in Phillips' home.

The boy was born in August, 1947, with Johnson listed as the father. The mother married Phillips in November, 1948, and after her death Phillips sued for the custody of the child, claiming he was the father.

The exiled ex-monarch has nothing to do but play on romantic Capri, where a year ago he spent his honeymoon.

Like a caged lion, he shuffles about, his 285 pounds covered with loose-fitting sport clothes.

He wears trousers and sandals. His hairy chest is sometimes bare, sometimes covered with an open-throated white shirt.

He smokes big cigars one after another. Possessor of an enormous appetite, he easily out-eats all the rest of his family. This includes what he calls a light breakfast.

One morning he put away 10 eggs. Farouk gets up at 7 almost every morning. Usually until noon he can be found with his young ex-Queen Narriman, the baby king, and the two princesses at the pool of Gracie Fields' Canzone del Mare beach restaurant.

Narriman wears scantily cut, fashionable bathing suits. The young princesses spend hours in the water.

Farouk sits and watches. After lunch the ex-king busies himself for some time with his extensive correspondence. The rest of the time he reads all the newspapers and magazines he can find or sits, silent and alone, gazing over the blue Mediterranean from his hotel balcony.

Evenings he goes with Narriman to one or another of Capri's fashionable restaurant night clubs. Invariably present are his two swarthy Albanian bodyguards and an Italian plainclothes policeman. Farouk is known to fear possible political enemies. Capri police particularly watch for the arrival on the island of other Egyptians.

Wanger Out Of Jail, Makes Up With Joan

HOLLYWOOD (AP)—Film producer Walter Wanger is out of jail, his actress wife Joan Bennett is back in town and there is a hint of reconciliation in the air.

Miss Bennett arrived by plane from Portland, Ore., and went to her Holmby Hills residence yesterday, where she was met by Wanger.

A butler told a reporter yesterday: "They have left strict orders that they are not to be disturbed by callers or by telephone."

It was the first meeting of the couple since Wanger was sent to the county jail on his conviction of assault with a deadly weapon in the shooting of Miss Bennett's agent, Jennings Lang. Wanger was released Saturday.

Power Station Left In Ruins By Navy Planes

By ROBERT B. TUCKMAN

SEOUL, Korea (AP)—U. S. Navy warplanes paid a return visit to Hoeryong on the Manchurian border Sunday and turned several warehouses and a power station into smoking ruins.

The fighter-bombers from the carriers Princeton and Bon Homme Richard had hit the area—only 40 miles from Soviet Siberia—in a dawn raid Saturday.

Night-flying B26 bomber pilots maintained the pressure on the Communist war machine with a series of attacks on the North Korean highway net last night. Pilots reported 120 vehicles destroyed, the highest total in five months.

More MIGs Bagged

The Air Force also reported the destruction of three Russian-made MIG15 jets in two air battles near the Manchurian border Sunday. That raised the total of MIGs reported destroyed in September to 33.

Sabre jet pilots also said one MIG was probably destroyed and two damaged Sunday.

In the only ground fighting of any size across the 155-mile battlefield Sunday, South Korean infantrymen failed in a savage attempt to throw Chinese Reds off Finger Ridge on the Central Front.

Hill Crest Lost

The South Koreans smashed up the slopes with bare bayonets and flame throwers and grabbed the crest of the hill about 6 a. m. The Chinese lashed back with a counterattack several hours later, and regained the position.

Saturday's naval air raid on Hoeryong was directed at a troop concentration area. In the followup raid Sunday the targets were industrial.

One 2,000-pound bomb landed squarely between the two smoke

Ex-King Farouk Bored To Death

By ANDREW J. NAHAS

ISLE OF CAPRI (AP)—A forlorn Farouk, once King of Egypt, appears bored to death with life on this flowered island.

The exiled ex-monarch has nothing to do but play on romantic Capri, where a year ago he spent his honeymoon.

Like a caged lion, he shuffles about, his 285 pounds covered with loose-fitting sport clothes.

He smokes big cigars one after another. Possessor of an enormous appetite, he easily out-eats all the rest of his family. This includes what he calls a light breakfast.

One morning he put away 10 eggs. Farouk gets up at 7 almost every morning. Usually until noon he can be found with his young ex-Queen Narriman, the baby king, and the two princesses at the pool of Gracie Fields' Canzone del Mare beach restaurant.

Narriman wears scantily cut, fashionable bathing suits. The young princesses spend hours in the water.

Farouk sits and watches. After lunch the ex-king busies himself for some time with his extensive correspondence. The rest of the time he reads all the newspapers and magazines he can find or sits, silent and alone, gazing over the blue Mediterranean from his hotel balcony.

Evenings he goes with Narriman to one or another of Capri's fashionable restaurant night clubs. Invariably present are his two swarthy Albanian bodyguards and an Italian plainclothes policeman. Farouk is known to fear possible political enemies. Capri police particularly watch for the arrival on the island of other Egyptians.

Young Japanese Join Police Reserve Corps

TOKYO (AP)—About 100,000 Japanese youths applied to join the army-like National Police Reserve during a recruiting drive that ended Sept. 10.

Kyodo News Agency said about 30,000 will be selected to take the places of men who left the reserve recently on completing two-year duty tours.

Middle Atlantic States Due To Go Republican

(Editor's Note: This is the first of a series of five stories on the political situation as of now, as seen by newspaper editors and political writers in all 48 states.)

By DOUGLAS B. CORNELL

NEW YORK (AP)—Five politically potent Middle Atlantic states—New York, Pennsylvania, New Jersey, Maryland and Delaware—are expected by editors and political writers at this stage of the campaign to go narrowly Republican in November as they did in 1948.

An Associated Press survey, based on county-by-county and section-by-section estimates of editors and correspondents, indicates there is a composite belief that if the election were run off now, Republican presidential nominee Dwight D. Eisenhower would roll up bigger margins of victory in most of these states than Gov. Thomas E. Dewey of New York did four years ago.

Margin Slender

Even so, the margins still are so slender that two of the states—Maryland and Delaware—must be considered doubtful, although they are regarded as tilting toward the GOP at this point.

Campaign developments between now and election day could upset, present calculations as to winning margins and easily toss any of these states to the Democratic nominee, Gov. Adlai E. Stevenson of Illinois.

The 105 electoral ballots of the five states are a prize political package. They represent nearly one fifth of the total of 531 and almost two fifths of the 266 electoral votes needed to win the election.

Personal Popularity Helps

The political soundings in this survey, and those to follow for other states, are being taken through the co-operation of Associated Press member newspapers and radio stations, other newspapers and local correspondents.

On the basis of talks with voters, research, their own knowledge of their counties, actual polls wherever possible, they were requested to estimate the percentage of the vote individual counties will cast for Eisenhower and Stevenson.

These estimates were weighted to take into account the difference in voting strength among counties, then combined into state estimates.

The surveys were undertaken in late August or early September. Another state-by-state survey is planned for October.

With few exceptions, trend estimates for the Middle Atlantic states indicated that the political appraisers thought Eisenhower would run ahead if people had been voting two months before the actual election day.

Eisenhower's personal popularity was described generally as a more forceful factor in the campaign than time-for-a-change sentiment and such specific issues as high

(Continued on Page 6)

Belmont Park Stables Burned

ELMONT, N. Y. (AP)—Crackling flames swept through a Belmont Park barn last night on the eve of the famous race track's three-week fall meeting. Twenty-three valuable thoroughbred horses were burned to death. Another horse had to be destroyed.

Twenty-five horses were rescued, although the blaze engulfed the huge wooden structure in 15 minutes. Some of the rescued thoroughbreds also were injured.

Two nationally known horses stabled here for today's opening were among those saved. They were Primrose, Kentucky Derby hopeful of last season from the Starmount Stable, and Navy Page, a stake race winner who ran with the top 2-year-olds at the recent Saratoga meeting.

Bar Fights Coroners

LANSING (AP)—A committee of the State Bar of Michigan called today for a renewed fight to abolish the coroner system in Michigan and replace it with a system of medical examiners. A bar-sponsored bill of that sort was defeated in the 1952 Legislature.

Weather

Reported by U. S. Weather Bureau

UPPER MICHIGAN: Partly cloudy and a little cooler tonight. Tuesday fair and somewhat warmer.

ESCANABA AND VICINITY: Partly cloudy and cool tonight with low temperature 42°; Tuesday partly cloudy with high about 68°. West to northwest winds 8-15 mph tonight and Tuesday forenoon.

New Contract Is Discussed

Representatives of Harnischfeger Corporation management and UAW-CIO union of Harnischfeger's truck crane plant employees today continued negotiations in connection with a new contract.

The old contract, effective for one year, expired today. The union has served notice that it does not wish to extend the old contract.

Major items in connection with the proposed new contract will be discussed next week in Escanaba after the arrival here from Milwaukee of Herman Menck, vice president and works manager of Harnischfeger Corporation.

Meanwhile discussions on "fringe" items in the proposed contract are continuing, with talks scheduled to resume this afternoon or tomorrow.

The union's bargaining committee is headed by Maurice Harrison, president of the local, and sitting in with the committee in its talks is Ivan Brown, UAW-CIO international representative.

Representing management in the negotiations is Robert F. Losse, Escanaba, truck crane plant operations manager; Mr. Menck, and F. T. Swain, Milwaukee, personnel director of Harnischfeger Corporation.

The company proposal for a new contract has been received by the union and an answer to the proposal is expected at the meeting next week with Mr. Menck present.

Gene Marenger, 50, Dies Today

Eugene Marenger, 50, 202 Stephenson avenue, died at 1:40 a. m., today in St. Francis Hospital. He had been in ill health the past year and for the past five days was suffering from a heart ailment.

Marenger was born Sept. 12, 1902 in Escanaba township and was reared in Flat Rock. For 12 years he operated a tavern in Perkins, and in 1945 moved to Flat Rock where he operated a certified seed farm.

The deceased was a member of St. Ann Church, the Knights of Columbus and the Holy Name Society.

He leaves his wife, the former Pearl Sovey, whom he married Sept. 30, 1931; two sons, Norman and Duane, at home; his mother, Mrs. Melda Marenger, of Flat Rock; three brothers, Dona Marenger of Escanaba and Fred and Edward Marenger in Flat Rock; and four sisters, Mrs. Leah Miron, Mrs. D. A. Jeannette Minniear, and Mrs. Floyd (Eva) Cheek, of Detroit, and Mrs. Richard (Agnes) DeShambo, Flat Rock.

The body was removed to Allo funeral home and will lie in state there beginning at 2 p. m., Tuesday. Funeral services will be held at 9:30 a. m. Wednesday in St. Ann Chapel at a solemn requiem high mass. Burial will be in Holy Cross cemetery. The rosary will be recited at 8 p. m., Tuesday.

Tom Masterson Is Assigned To Paris

Tom Masterson, son of Mrs. William Masterson, of Gladstone, who has been working with the Associated Press bureau in New York City, has been assigned to the Paris AP bureau.

Masterson, who has been with the Associated Press since 1942, has been receiving medical treatment in New York for the past year. He was injured in a mob riot in Singapore in December, 1950. A graduate of Notre Dame University, Masterson was chief of the AP Bureau in Singapore at the time.

The Gladstone AP correspondent will arrive tomorrow in Chicago for a few days visit with his mother, and his sisters, before leaving the end of this week for Paris. Mrs. Masterson and daughter, Mary, left this morning for Chicago. Another sister, Mrs. Thomas DeVoy of Valparaiso, Ind., also will join them in Chicago.

Masterson, who previously worked for newspapers in Plymouth and Fond du Lac, Wis., was stationed in Shanghai and Peiping, China, in 1946-47, and in 1948 was assigned to Singapore.

Joseph Young, 67, Hurt In Accident

Joseph Young, 67, of 204 North 12th St., was admitted to St. Francis Hospital for medical observation Sunday evening after an auto mishap in the 300 block of Stephenson avenue.

Witnesses told police the man walked into the left side of an auto as he was crossing to the west side of Stephenson Ave. The auto was driven by Maurice G. Lounds, 2108 8th Ave. S. There was no damage to the car, and no tickets were issued by investigating officers.

Young's condition is reported "fair." The accident occurred at 8:58 p. m.

Sister Mary Cornelius

St. Joseph Principal Is Both Author And Educator

The new principal for St. Joseph School in Escanaba, Sister Mary Cornelius, formerly of the faculty of Mount Mary college in Milwaukee, is an author as well as an educator.

Sister Cornelius, who this year replaces Sister Electa as head of the Catholic grade and high school, wrote "Fifteen Saints for Girls," a 120-page volume published in 1951 by the Bruce Publishing company of Milwaukee. The work, which tells of the lives of 15 New Testament Saints for teen-agers is expected to have a second printing soon.

While in Escanaba, the School Sister of Notre Dame hopes to continue her writing. She likes the teen-ager, whom she feels is very idealistic, and hopes to write for the junior high school age group. Earlier, she wrote a dramatic sketch, for this age-group, which was published in the Catholic School Journal.

Stories For Teen-Agers

Sister Cornelius is planning to write on Old Testament saints for girls, and possibly on the men who have become saints for girls, such as St. Patrick for the "Patricians" and St. Charles for the "Carols." Among the Old Testament saints she is considering are Judith and Sally.

Later she'd like to write about the Twelve Apostles, for teen-agers, incorporating in the work early church history. Also in her plans for the future is a real life story about teen-agers.

The Escanaba principal, whose former home was Chicago, received her bachelor of arts degree from Mt. Mary College and her master's degree from Marquette university. In addition to her studies in English literature at the Milwaukee schools, she studied French for three summers at the University of Michigan. Her father, a lawyer, grew up in Champion, and her mother was born in Calumet.

Audience With Pope
Upper Michigan is "home" to this teaching sister, who likes the cool air and friendly atmosphere. As a youngster she often visited in the Calumet and Champion communities, and, since becoming a sister, taught and was principal in the Sacred Heart school at Laurium.

Sister Cornelius wrote her book on the saints on her return from a trip to Europe during the summer of 1949. Her trip, which was climaxed with an audience with Pope Pius at his summer home, Castel Gondolfo, took her to England, Belgium, Switzerland, France and Italy.

For six weeks, the new school principal studied English literature at Oxford University. While in England she toured Ireland and Scotland and also visited in London and Northern England. Her excursions included both literary and religious shrines.

Tour of Europe
Among the places she visited in England were Stratford-on-Avon, Shakespeare's birthplace, Littlemore, home of Cardinal Newman after his retirement from Oxford; the Lake District, where Wordsworth, Coleridge and Ruskin lived; Westminster

Abbey; the houses of Carlyle and Samuel Johnson; the cells of Catholic martyrs in London, where inscriptions still can be read; the church of St. Etheldreda, where the head of St. Thomas Moore is preserved; a church in Jarrow, where St. Bede worshipped and the monastery where he wrote the first ecclesiastical history of England; the monastery ruins at Whitby, where St. Hildu was abbess and where the monk, Caedman, the first English poet, wrote; Yorkshire, where relics of lost martyrs are preserved; and the monastery at Canterbury, where St. Augustine landed in 597.

In France, Sister Cornelius visited at Lourdes and shrines in and near Paris; and in Italy, at Rome, Assisi, home of St. Francis, and Siena, where St. Catherine lived. The School Sisters of Notre Dame have three houses in England, at Faversham, near Canterbury; and at Lingfield and Woolwich, near London. They also have one in Rome, and on her tours Sister Cornelius visited at each. She was accompanied by Sister Mary Joseph of the Mt. Mary faculty and Sister Joseph's mother.

Here, Sister Cornelius teaches three English classes, as well as serving as superior of the convent and principal of the grade and high school.

Sen. Morse To Speak At AFL Convention

NEW YORK (AP) — Sen. Wayne Morse (R-Ore.) is scheduled to address the AFL Convention here Thursday or Friday.

The AFL Executive Council extended an 11th-hour invitation last night after Morse announced he would not campaign for Gen. Dwight D. Eisenhower.

Blood Clinic Opens In Delta; Quota 330 Pints

Blood for national defense and to emergency cases in Delta county is being collected in a four-day clinic opening today at Gladstone, with Escanaba and Garden on the scheduled visits of the Michigan Department of Health bloodmobile.

The quota for the county is 330 pints. Donor registrations may yet be made for the evening hours at Gladstone today; and for Escanaba and Gladstone clinics. The clinic at Gladstone will

close at 8 p. m. today at the Gladstone High School.

Advice To Donors

In Escanaba the clinic will be held at First Presbyterian Church Tuesday from 12 noon to 6 p. m., and Wednesday from 3 to 9 p. m. At the Garden community building Thursday the clinic will be from 2 to 8 p. m.

All persons who have registered as donors today were reminded that they are not to eat fatty foods the day they give blood. Fried and fatty foods should be avoided the day of the donor's appointment, beginning with breakfast of that day.

No food should be taken four hours before the donation time, donors also were told.

The blood clinic is sponsored by the Michigan Department of Health with the Delta County Chapter, American Red Cross, co-operating in local arrangements.

May Still Register

One-half the blood procured in the county will be allocated to national defense and one-half will be earmarked for Delta county and returned here for treatment of emergency cases. All of the blood will be processed in state laboratories at Lansing into plasma and other derivatives.

Persons who have not yet registered as blood donors and wish to do so are requested to notify the Red Cross office, No. 97, or go directly to the blood clinic center at the hours it is open. Those who register will be advised of an appointment time.

The clinic is staffed by trained technicians. The Red Cross has arranged for local persons to assist at the clinic.

The need for blood to meet the needs of U. S. fighting forces in Korea and of veterans in hospitals is described as acute. Locally the county's credit at the state blood bank has been nearly exhausted.

Ishpeming Gets Singing Trophy

Intermittent showers Sunday afternoon cut attendance but didn't dampen the enthusiasm at the second annual family picnic of Area 8 barbershop singers, held at Wells Park on M-35 near Cedar River.

Refreshment stands were moved under shelter, and family picnic lunches went on as usual after showers ended. After the weather cleared in the afternoon chorus contests were held in the outdoor amphitheater. First place, and the trophy previously held by the Bay de Noc chorus from Escanaba, went to a chorus representing the newly-formed Ishpeming chapter, SPEBSQSA. A chorus representing Marinette, Wis., was second in a tie run-off. Singers from Escanaba, the host chapter, and Iron Mountain, host chapter last year, filled in to round out the two other visiting choruses. The Escanaba Fourissimo quartet and Bay de Noc chorus presented several numbers on the program.

Hot corn-on-the-cob, served by the host chapter, supplemented picnic lunches, along with ice cream and beverages.

Electric Organ That 'Talks' Is Problem For Salvation Army

SAULT STE. MARIE — The Salvation Army Citadel in the Sault today is undecided about purchasing a re-conditioned electric organ. It talks back!

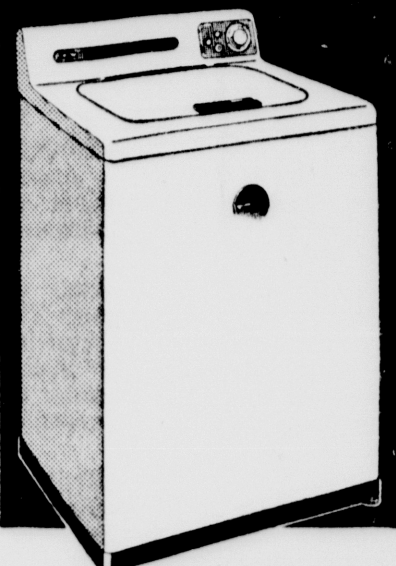

Lt. Shirley White, assistant to Capt. William Kish, pastor of the Salvation Army in the Sault, was nearly bowled over when she sat down to test the organ.

As she reached for the keyboard the amplifying system blurted out, "This is NOG. Go ahead!"

It was the radio transmitter operated by the Sault Coast Guard contacting a vessel coming down out of Lake Superior, and reporting in to the Coast Guard.

Through a freak condition the audio system of the vibrating reed and electronic amplified organ had received impulses from the Coast Guard radio station.

Briefly Told

Stonington Ladies' Aid — The Ladies' Aid of Bethel Lutheran Church, Stonington, has postponed its meeting scheduled for Tuesday night to Tuesday, Sept. 23.

Youths Found — Charles, 13, and Leo Visneau, 9, Wells youths who were reported missing from their home since Saturday night, were located in Menominee by the Menominee county sheriff this morning. They are being held there until the arrival of their father.

Bad Checks — Ralph and Phyllis Nowack, 1531 Sheridan road, have reported to Escanaba police that four checks cashed by them have been returned because the signers did not have bank accounts. All four checks were drawn on the State Bank of Escanaba. Total amount of the checks was \$35. Three of them are believed to be issued by the same man. The Nowacks operate Quayle's Tavern.

Drivers Summoned — Traffic tickets were issued over the weekend by Escanaba city police to: Oliver J. Derouin Jr. of 306 N. 12th St. for reckless driving after he was arrested Sunday at 3:25 a. m. in the 200 block of Ludington St.; and to Carl H. Kurth of Escanaba, Rte. 1, James R. Ferguson Jr. for speeding on Ludington St. Kurth was apprehended at 1:30 a. m. and Ferguson at 9:40 p. m. Sunday.

Suicides Not Wanted

TAIPEI, Formosa (AP) — "If there is any reason why you must end your life," the Formosa Hotel Owners Association said in a public statement, "it's always better to do so outside hotels."

"Suicides in hotels not only incur the management's considerable expense but also cause them great mental distress," the statement concluded.

Deliver Ballots To County Units

Ballots for the Nov. 4 general election were distributed today by county clerk Mary Constantineau to the remaining townships and cities after delivery of the forms to the county units was begun Saturday.

In all, 18,300 ballots of four types (presidential, state and county, non-partisan and referendum) will be left with city and township clerks when delivery is completed.

The greatest portion will be delivered to the city of Escanaba where 8,020 of each of the four ballots will go later to nine precincts. Gladstone will receive 2,825 complete ballots and Garden village 475.

The number delivered to the townships, according to Miss Constantineau:

Baldwin, 475; Bark River, 700; Bay de Noc, 225; Brampton, 425; Cornell, 225; Ensign, 300; Escanaba, 615; Fairbanks, 225; Ford River, 475; Maple Ridge, 650;

Masonville, 575; Nahma, 475 and Wells, 1,100.

The county clerk today reminded parents or relatives of servicemen that they may now apply for servicemen's absentee ballots through their township clerks. The change in application station was made by Miss Constantineau from the Court House to the city and township clerks to eliminate the necessity of coming in from the rural areas to apply for the ballot at the Court House.

The deadline for registering to vote in the November election is Oct. 6. On that day, according to statute, clerks will register voters from 8 a. m. to 8 p. m.

Soo Hill

SOO HILL — Mrs. Andy Anderson, leader of the Soo Hill Girls 4-H Club, has announced that the 1st meeting of the school year will take place this evening at 7 at the Anderson home. Fred Bernhardt, 4-H agent, will be present to help in the organization planning.

Fred Paulson, 17, Is Victim Of Polio Here

An Escanaba high school senior, Fred Paulson, 17, died of poliomyelitis, and two other Delta County children became ill with the disease during the weekend.

The Paulson youth, second Delta County fatality this year from polio, became ill Wednesday night and was taken to St. Luke's hospital in Marquette Saturday. He died at 9:30 p. m., Sunday in the children's hospital.

The other cases are those of Dale Shandony, 3, son of Mr. and Mrs. James Shandony, North 13th street, Gladstone; and Wesley Cas-

Two Candidates Lean On Religion

BOSTON (AP)—Both major candidates for president say they would lean to religion to help them face the responsibilities of the presidency.

The views of Gov. Adlai Stevenson and Gen. Dwight D. Eisenhower on the importance of religion will appear in the Sept. 21 issue of *Episcopal Churchman*, a weekly published in Richmond, Va.

The statements were released yesterday by Maurice E. Bennett Jr., publisher of the magazine, while attending the 57th triennial General Convention of the Protestant Episcopal Church in Boston.

Eisenhower's statement said: "This is what I found out about religion: It gives you courage to make the decisions you must make in a crisis, and then the confidence to leave the result to higher power. Only by trust in oneself and trust in God can a man carrying responsibility find repose."

The Stevenson statement said: "The burdens attached to the office of President of the United States are enormous. I know that those responsibilities are so far beyond the limits of human wisdom and strength that, if I am called upon to bear them, I should be utterly dependent on the sustaining power of God as the source of truth and wisdom in the endless hours of uncertainty and anxiety."

The candidates had been asked how they would expect their religious beliefs to influence their acts if elected.

Kingsford Man Is Fatally Injured When Struck By Car

IRON MOUNTAIN—Gust Gustafson, 71, 304 Fulton street, Kingsford, died at 9:30 Friday night in Memorial Hospital less than two hours after he was struck by a car while crossing highway US-2 just east of the Rt. 2 tavern in Florence county.

Mr. Gustafson, brought to the hospital in an ambulance summoned from the Freeman funeral home, suffered a badly mangled left leg and a skull fracture. Death, according to Dr. W. H. Huron, who attended the injured man, resulted from an internal hemorrhage.

Driver of the car which struck Mr. Gustafson, as the latter was crossing from the north to the south side of the highway, was J. S. London, of Sault Ste. Marie, who was proceeding east on US-2.

3 U. P. Officers Attend Engineering Centennial

Three Upper Peninsula Army Engineer officers returned yesterday from Chicago where they participated in the semi-annual meeting of the Society of American Military Engineers in celebration of the Centennial of Engineering in the United States.

They are Lt. Col. Leonard C. Ward, of Escanaba, commander of the 107th Engineer Combat Battalion, Upper Michigan National Guard unit; Major Frelsten Reese, of Marquette, Fifth Army instructor assigned to the U. P. battalion, and First Lieut. George Hanson, of Marquette, 107th B. company commander.

Dorigan Speaks To U. P. Chinchilla Breeders Meeting

An educational discussion of fur characteristics and quality in chinchilla through a herd improvement breeding program highlighted the program of Upper Michigan branch of the National Chinchilla Breeders of America at its quarterly meeting Saturday evening in Teamsters hall.

The discussion was conducted by Charles Dorigan, official NCBA animal inspector for this region. Using live animals Mr. Dorigan pointed out the characteristics which should be bred out of the herd as well as those which should be maintained or improved by careful selection in breeding.

preceding the discussion, Irvin Harbath, route one, Gladstone, was elected president of the branch, and Frank LeMaire, Manistique, was elected to the board of directors, both to serve until the end of the fiscal year next June.

Resolutions concerning the policies and function of the national association were considered, and those adopted will be submitted at the annual meeting of delegates in November in Toledo, Ohio. M. A. Trams, Escanaba, will be the delegate to represent Upper Michigan branch at this meeting. Irvin Harbath is alternate delegate.

The next regular meeting of the branch will be held on Saturday, December sixth.

Walter Brock, 46, Dies In Chicago

GLADSTONE—Walter Brock, 46, manager of a mail order company in Chicago, and husband of the former Frances McMillan of Gladstone, died suddenly Friday in Chicago. It is reported to relatives.

The widow and three children, Tommy, Linda and Jimmy, are the immediate survivors. Mr. Brock was recently transferred to Chicago from New York City.

Funeral services were held today in Marion, Ind., the Brock family home.

Forty-three per cent of the world's forest products come from the United States.

Six-Shooter Junction Lillie Reluctantly Sells Her Truck Line

HOUSTON, Tex. (AP)—The gal from Six-Shooter Junction—who rode a bucking truck to fame and success—is selling out her motor freight line and going into apron-string retirement.

She's Lillie Dreunan, who after 24 years of tough competition on the road, is selling her Drennan Truck Line to a larger firm, giving up her truck operator's license, and turning to petticoats and frills.

Cussing Blisters Rocks

"I never thought I'd live to see the day," the 55-year-old Lillie said Thursday when the Houston Freight Carriers Association honored her with a luncheon. "Now's as good a time as any to retire," she said with a touch of remorse in her husky voice.

Time was when Lillie would just about as soon be caught dead as in apron strings and petticoats. She was reared and still lives at Hempstead, north of Houston, the now peaceful little city known for its watermelons which was called Six-Shooter Junction in its volcanic, gun-fighting early days.

It's been said that in those days pistol-packing Lillie's language, when the situation called for forceful expletives, would blister a rock. Lillie, speakers at the luncheon said, always fought for what she thought was right. And she had a reputation for straight-shooting, with her gun or her word. Ironically, the only time she was confronted by a hijacker she had left the gun at home.

Started With Model T

She's not as familiar with petticoats and other frilly things as most women, but she can look mighty fancy when the occasion arises—like yesterday at the banquet.

But she feels more at home in a 10-gallon hat and trousers, oil-field boots and shirt.

She entered the trucking business in 1928 driving a 1½-ton model T.

D. Provo Confined On Drunk Driving 30-Day Sentence

Donald Provo, 21, of 1513 N. 22nd St., began a 30-day jail sentence today after arraignment in Justice Court where he pleaded guilty to driving under the influence of alcohol.

He was arrested yesterday at 3:15 a. m., by Escanaba city police after he was observed driving his car in a weaving pattern down Washington Ave.

Justice Henry E. Ranguette imposed an alternate sentence of \$50 fine, payment of \$8.25 in costs and revocation of driver's license or 30 days in jail. A second count of driving without an operator's license was incorporated in the primary charge on which he was arraigned.

FORD'S FIRST with the MOST!

FIRST in POWER! Ford's 110-h.p. Strato-Star V-8 is the most powerful engine... the only V-8 offered in a low-priced car! Ford's 101-h.p. Mileage Maker Six is the industry's newest, most modern Six!

FIRST in RIDE! For the first time, in the low-price field, you can enjoy a truly fine-car ride! Ford's new Automatic Ride Control with its diagonally mounted rear shock absorbers and new spring suspension gives you a bump-leveling, highway-hugging ride.

FIRST in VISIBILITY! New Full-Circle Visibility gives you the only one-piece curved windshield, plus car-wide rear window, in Ford's field. New F-RIST tinted glass... available on Custom and Crestline models... guards against glare and reduces heat.

FIRST in CHOICE! Ford offers the widest choice by far in the low-price field. 18 models... 11 body styles... 2 engines: V-8 or Six... 3 transmissions: Fordomatic, Over-drive or Conventional... and the most body, upholstery and color combinations.

FIRST with the NEWEST! You'll find Ford has made more advances for '52 than any other car in its price field. You get new features like Power-Pivot Clutch and Brake Pedals, suspended from above, to allow more foot room, eliminate dusty, drafty floor holes. You get Center-Fill Fueling for easier gas filling from either side.

The '52 Ford brings you more power, more comfort, more "looks" and more "can do" than any other low-priced car! You can see it in Ford's new, longer, wider bodies of modern design. You can feel it in Ford's smoother, more level ride... in Ford's 25% easier steering. And, you can sense it in the more spirited response of the '52 Ford—whether it's the 101-h.p. Six or 110-h.p. V-8!

This longer, lower style leader has the newest, most advanced body in the industry! It's styled to stay beautiful for years, and it's quality-built to stay young.

Test Drive the '52 FORD

Editorials—

Highway And Home Are The Most Dangerous Places In Michigan

MEN at work in Michigan—whether in a busy auto factory in Detroit or deep in a Copper Country mine—are in the safest place to be found in the state. And when these men return to their homes, traveling crowded highways, they are encountering two hazards that accounted for 72 per cent of all the accidental deaths in Michigan. The highway and the home—dangerous places 24 hours of every day for persons of all ages.

The Michigan Department of Health in a statistical report for 1950 reveals that 3,702 persons died in all types of accidents in the state that year.

Of this total, 1,624 or 44 per cent were caused by motor vehicle accidents; 28 per cent were in the home, seven per cent were attributed to occupational accidents;

Blood Derivatives Also Save Lives

MANY people may not realize that the laboratories of the Michigan Department of Health are playing a leading role in the study—and the production—of blood fractions to alleviate human suffering and to speed the recovery of the sick and injured.

For instance, anti-hemophilic globulin, one of the blood fractions produced from whole blood, is produced only in Michigan. And only by the Department of Health laboratories. It is not available from any commercial source anywhere in the United States.

The importance of this product as a saver of life is proved by the fact that at least one Escanaban is living today because of the existence of this product. It also has been used to stem the flow of blood elsewhere in cases where everything else has proved futile.

Delta county residents have an opportunity to make their contribution to the welfare of humanity when the mobile unit of the Department of Health comes to the county to collect blood. It is imperative that the quota assigned to the county be met in full because if it is not met, the county's available supply of blood plasma and other blood fractions will be materially reduced—to the point of insufficiency. In addition, the blood needed for servicemen and in military hospitals will not be available in the quantity required.

Delta County's present supply of blood plasma is dangerously low. Can we afford to risk the lives of our people by our failure to donate blood when we are called upon to do so? We may be risking our own lives and the lives of our own family.

Those who donated blood when the mobile unit was here in May are, of course, eligible to donate again this time. Individual donors are permitted to contribute blood in intervals of eight weeks. For practical purposes, the time lapse for donors here is much greater because the mobile unit comes to the county only twice a year.

Think it over. If you consider the urgency of the need and the importance, you will sign up as a blood donor.

UNCLE EF

It may atke another month, but by that time you'll be able to pick out the school teachers and the mothers on the street here without any trouble. The school teachers will have that worried, harassed look the mothers had during summer vacation and the mothers will be smiling.

The Doctor Says ... Chickenpox Is Ordinarily Mild; Common Between Ages 2 To 6

BY EDWIN P. JORDAN, M.D. — Written for NEA Service

Nearly everyone gets chicken-pox in childhood. This is usually a mild disease but it cannot be ignored entirely. In delicate children, particularly those who are tuberculous, chickenpox can be rather severe and cause complications. In rare cases, inflammation of the kidneys may develop.

The average time between exposure and the appearance of the first symptoms is from 10 to 15 days. The first signs of the disease are likely to be fever, sometimes accompanied by a slight chilly feeling. The typical blisters may not be present at first, but the skin may appear somewhat reddened.

The blisters on the skin usually begin to appear within 24 hours of the first symptom.

At first they are most common on the back or chest, but may begin on the forehead or face. They generally start as raised, reddish lumps. After about two days the contents of the blisters become pus-like and cloudy instead of clear, as they are at first.

There may be a good deal of uncomfortable itching, especially in grownups. In a few days the blisters become covered with a dark brownish crust which falls off and, as a rule, does not leave scarring.

Fresh crops of blisters come on during

and 21 per cent were other miscellaneous types.

"Considering the working span of life to be between the ages of 18 and 65, Michigan lost nearly 40,000 years of working life during 1950 as a result of deaths due to motor vehicle accidents," the Health Department found. "In the 15-24 group, the group with many productive years ahead of them, nearly three-fourths of the accidental deaths are the result of motor vehicle accidents."

Michigan's highway system is considered among the best in the nation so far as engineering is concerned. They are good roads, adequately maintained.

The cause of the highway accident is the motorist who fails to meet the requirements for safe driving.

In factory and shop the hazards have been removed so far as possible and the workers trained to ways of safety. Control programs are established procedure and safety is stressed every working minute.

But on the highway and in the home the conditions are too often an invitation to disaster. Controls are difficult to enforce. Safety is a matter of education so far as the individual is concerned.

The result is a tragic waste of life, money, and manpower. Homes and highways will become safer places only when there is developed in the individual a feeling of unwavering responsibility to himself—and to others.

Other Editorial Comments

BALLOTS FOR SOLDIERS (Marquette Mining Journal)

By now, all relatives of servicemen and women in the armed forces should know that, in Michigan, absent voter ballots will be mailed to persons in uniform if they, the relatives, make application. This is a departure from the normal procedure for voters in which personal written application is required. Another change is lifting of the registration requirement for servicemen; all that is necessary is that they be 21 and otherwise qualified.

It is also a correction of a sorry state of affairs that existed in World War II, when the men most entitled to vote—soldiers fighting their country's battles—could not participate in the presidential election. Michigan has acted to assure that its servicemen are given a proper chance to cast their ballots.

In Marquette, the ballots can be obtained in the city clerk's office. As soon as application is made by a relative, one will be mailed by the clerk direct to the servicemen. Since, under standards set up by the armed forces' Information and Education Office, such ballots should reach men and women in uniform at least 45 days before election day, it is imperative that relatives act promptly.

The needed change in the election law facilitates the means by which anyone from this state in the armed forces can exercise his right to vote. But it is up to his relatives to make certain that he gets the ballot in time to exercise that right.

MENOMINEE TO ACT (Marinette Eagle Star)

The Menominee city council is showing concern over the traffic problem in the city, the result of which probably will be a cracking down on traffic violators. It is another way of saying that Marinette and Menominee drivers had better improve their driving habits if they want to avoid court appearances.

There is obviously a reckless disregard of the rules of the road both here and in Menominee that should be checked early before more serious accidents occur. For the sake of safety, it behooves the police of both cities to get a little tougher with the violators, especially the speeders who account for most of the accidents.

Merry-Go-Round

By DREW PEARSON

WASHINGTON—One reason why Frankie Costello, kingpin of the gambling underworld, has not hitherto been deported probably was his friends in high places. Some of these friends in Congress have just been revealed through a little black book carried by Costello's Washington lobbyist, Murray Olf, whose job it was to defeat the anti-slot machine bill and block other legislation which would hamper gambling.

The Justice Department has known, ever since I revealed it on July 21, 1947, more than five years ago, that Costello could be deported because he lied about a previous conviction when he took the oath as a naturalized citizen.

Furthermore, I personally called this to the attention of other Justice Department officials.

Only last week did new Attorney General McGranery finally announce that proceedings would be started to deport Costello.

In view of this, Costello's lobbying setup in Washington is significant, especially the manner in which his lobbyist was able to entertain certain congressmen at shrimp dinners and cocktail parties.

COSTELLO'S NERVE-CENTER

The man who did this lobbying, Murray Olf, an ex-convict and former prison mate of Jake Guzik, served as a nerve center for Costello's and other gambling problems in Washington. He occupied a suite at the fashionable Congressional Hotel within a stone's throw of the capitol, where he held court for congressmen. He picked up tabs at the bar, loaned his phone for long-distance calls, and threw shrimp parties for congressmen every Friday night.

Meanwhile the nation's top mobsters also used his apartment for a hangout. There, Costello's partner, racketeer Joe Adams, hid overnight while the Kefauver Committee was searching for him. There, Meyer Lansky, another notorious gangster, parked his car at the Congressional Hotel's garage and charged the bill to Olf's apartment. From there Olf was also on the phone to gangland chiefs throughout the country—"Dandy Phil" Kastel in New Orleans, "Greasy Thumb" Jake Guzik in Chicago, and Morris Kleinman in Cleveland.

Meanwhile, congressmen were wandering in and out of Olf's room, or huddling with him at the Congressional bar. Costello's lobbyist also had about \$50,000 in cash from the Costello treasury to distribute in the right places.

No wonder Costello, sitting in New York, felt relatively easy about the possibility of being deported.

ROLLCALL OF CONGRESSMEN

Here is the rollcall of congressmen and other interesting characters who either frequented the Costello lobbyist's parties or appeared in his little black book. All names of reputable people published below have been checked to make sure they actually did know Olf, and, in the case of the congressmen, this column warned two years ago that he was Costello's lobbyist. Yet these congressmen continued to associate with him:

Congressmen Jimmy Morrison of Louisiana, Louis Rabaut of Michigan, Edwin Willis of Louisiana, Jim Murphy of Staten Island, N. Y., Chester Gorski of Buffalo, N. Y., and Phil Welch of Missouri.

Gorski, who was defeated for re-election last term, used Olf's telephone freely to call his home in Buffalo. Questioned by this column, Gorski swore he always paid Olf back, though he had trouble explaining why he used Olf's phone in the first place, since he had a telephone in the same hotel.

Edith Scheffer, secretary to Congressman Welch, borrowed money from Olf, and made long-distance calls to such places as Detroit and Madison, Wis. Though made from her own phone, she charged the calls to Olf's bill. When this column asked her for an explanation, she blurted:

"I'm stunned. Where did you get your information?"

However, she refused to comment until she "cleared it with the congressmen." She never called back.

Other names listed in the Costello lobbyist's little black book are Eddie Vogel, Chicago's slot-machine king (Buckingham 8873), Morris Kleinman of Cleveland (Main 8034), Jimmy Rutkin of Jersey City (Bigeowl 3-6000), Emmitt Waring of Washington (Emerson 7525). Guzik's private Chicago number is listed under "Jack G." (Webster 9-0877).

WASHINGTON JUDGE INNOCENT

One of the most interesting names in the little black book was that of a federal judge, together with the telephone number of his former Washington law office. This column is not printing the judge's name because, after interviewing the judge, I am satisfied that he was not connected with Costello or Olf.

The judge explained that at one time he defended one of Olf's friends, Al Blackfield, and had met Olf himself on one occasion. However, the judge claimed he had never represented Olf and did not know him socially.

Into The Past

10 YEARS AGO

Escanaba — Rita Monica Flynn, daughter of Mr. and Mrs. William Flynn has entered St. Agnes convent at Fond du Lac, Wis., where she will study in Marian college.

Gladstone—Eighteen acres of spruce and cedar swampland in Ensign township and also in Hiawatha National Forest were burned over Saturday and Sunday. The fire was brought under control by the Forest Service fire fighting crews, under direction of Ranger Clare Armstrong of Rapid River.

20 YEARS AGO

Washington—Asserting that immediate cash payment of the "bonus" would be a fatal threat to the whole program of recovery, President Hoover today issued a statement declaring he would oppose any move directed to that end.

Escanaba—Miss Margaret E. Plant has left for South Bend, Ind., to enroll at Notre Dame.

Gladstone—Mrs. Stanley Venne has returned from Marquette, where she was a guest of Miss Madeleine D'Amour.

Looks Like a Busy Fall

Two Pairs Of Twins, Over 80, Still Active And Going Strong

(AP) Newsfeatures

SOUTH WINDHAM, Me.—This farming community offers a double rebuttal to mortality tables that indicate twins don't live as long as folks born singly.

Mace F. Willis and his brother, Morse, are 80. Neighbors Eugene and Augustine Hawkes are over 84. All four men are active farmers or gardeners and they have one other experience in common — they're alumni of Windham's old "Horse Beef" School — officially the Mallison Street school.

Horse Beef School got its name from its district, where a store once received a barrel of beef that contained a horse's leg, complete with iron shoe.

Teacher Carried Gun.

In the school days of Gene and Gus Hawkes, several 20-year-old "boys" were classmates and the male teacher found it expedient to carry a revolver.

Gus and Alice Whittier Hawkes observed their 64th wedding anniversary last March. Gene Hawkes and Mary Bodge were married in 1894. Morse and Mace Willis each have married twice and children to the wives of all four men.

After leaving school, the Hawkes brothers became partners in a carriage shop. The project was dissolved for economic reasons when carriages became a thing of the past. Gus turned to paperhanging and house painting, and then was a millwright. Gene became agent for a power company and later an express company. He was also a paper company payroll man.

Gus beat Gene into this world by 15 minutes and into matrimony by six years.

In Good Health

Except for typhoid fever in their boyhood, neither brother has been seriously ill. Gene recently had a physical check and he reported "the doctor didn't leave me any medicine."

The Willis boys live on adjoining farms, Morse in the house his father built for him 50 years ago and Mace in the family homestead. The Willis brothers also raise beef cattle and train oxen for lumber operations.

TWINS Eugene (left) and Augustine Hawkes, both 84, check up on a bait casting rod.

Good Evening ...

By CLINT DUNATHAN

DOCKS AND MEN—James F. "Jim" Powers of 1114 Sixth Ave. S. came by while I was scraping old paint off my house, a job I have been at for some time preparatory to painting.

"Say," said he, "do you know when the ore docks were built in Escanaba?"

I said I didn't.

"I've got the dates at home," he assured me. "I'll get them for you."

So this is a story not so much about

Jimmy Powers, the neighbor who lives around the corner, but about the ore docks of the Chicago & North Western Railroad.

It should be reported, however, that Mr. Powers is a retired C. & N. W. man and also for many years sailed the Great Lakes. His father, the late Jim Powers, served as an alderman of the city for many years.

MATTER OF DATES—Here are the dates on dock building, and we vouch for their authenticity. Jim Powers gave them to us.

Dock No. 1—Built in 1873, rebuilt in 1890.

Dock No. 2—Built in 1863, rebuilt in 1881.

Dock No. 3—Built in 1879, rebuilt in 1896.

Dock No. 4—Built in 1887; burned in 1897, rebuilt in 1898.

Dock No. 5—Built in 1891, rebuilt in 1909.

The figures supplied by Mr. Powers leaves one dock unaccounted for—Dock No. 6. This, latest of the C. & N. W. docks, was built in 1902-03 and was rebuilt in 1924-25.

IN THE BEGINNING—Perhaps it would be well to start at the beginning of Escanaba to tell the story of ore docks here, one of the community's important economic assets.

In the year 1862 the Peninsula Railroad was organized and work on the line between Escanaba and Negaunee was begun in 1863. The following year it was consolidated with the C. & N. W. and became the nucleus for the present Peninsula Division.

Ore was shipped over the line to Escanaba and loaded into sailing schooners from No. 2 dock—in reality the first dock built, but it became No. 2 when the second dock was built closer to shore on the north side of Sand Point. This second dock (or No. 1) was in 1873 "the longest wooden ore dock in the United States."

NAHANT AND FIRE—Today all of the old ore docks that once poured ore into the holds of sailing schooners just north of the C. & N. W. Peninsula Division offices are only rotting spiles, exposed only in low water.

Another reminder is the large piles of sand on the north bay shore marking the rail approaches to the old docks.

There have been a number of tragedies in connection with the construction and operation of the docks, but none more spectacular than the big fires of 1897 and 1924.

In 1897 No. 4 Dock caught fire from the burning ship Nahant and was destroyed by fire with the loss of four lives. The Nahant, pulled from the side of the dock, drifted to Sand Point (east of the present city dock) and sank. A spar buoy marks her bones there now.

FALLS INTO FLAMES—After Dock No. 4 was rebuilt, fire struck again in 1924, destroying it the second time along with Dock No. 3. The Reiss Coal Company dock also was burned.

Starting near the center of Dock No. 3 the fire appeared to be under control after half an hour of work by fire crews. Then the fire suddenly spurted out of control again.

George Ingram, accompanied by Sherman Serre, were attempting to drag a hose out to the end of the docks. Cut off from shore by the flames, Serre plunged 80 feet into the water. Ingram attempted to clamber down a rope and fell into the fire. His charred body was found next day.

The flames lighted the night sky for miles around and consumed property valued at one and one-half million dollars. The story of the ore docks is one of industrial growth, the chronology of history, and the tragedy of fire.

Power With Words

By Dr. C. E. Funk

My bump of curiosity has always been well developed, especially about words. A queerly formed word, such as the name of a bird or an insect, has always interested me. I wanted to know why it was given ample, why the field flower, the buttercup, had such a name, looking, as it does, like a miniature cup the color of butter, but why butterfly, which may be almost any color of the rainbow? And why ant-lion, earwig, silverfish, or its cousin, the fire-brat, and such like odd names?

Whatever the story of the name butterfly, however, it has never been found. The only theory is that the name was first applied to those of the family that were yellow in color, and was later extended to all the others.

The ingenious insect, or rather its larva, the ant-lion, though getting the name through translation from Greek, was so named from its habit of lying in wait for its prey, like the huge lion. This small creature digs a conical pit in shifting sand, buries itself, all but its jaws, at the apex of the pit and waits for an ant to slide down. I have seen hundreds of such miniature pits in Florida. Another name for the larva is doodle-bug, from the belief that they will come from their holes if called "Doodle," which means "silly."

The earwig has actually no interest in ears or in wigs. In fact, the wig part of the name comes from wiggle, to wriggle. But the insect got its name, nevertheless, from the ancient belief that it sought to enter man's head by wriggling its way through the ear. To get it out of the ear, one was told to "spit into the same, and it will come forth again."

One fairly reliable sign of winter is the annual announcement of a plumber's shortage.

Australians Hear Radio Damns Too

By GORDON TAIT
 SYDNEY, Australia (AP) — The mysterious "damn it" that listeners heard during a Gen. Dwight D. Eisenhower speech broadcast in the United States this week strikes a familiar theme here. Australian radios have been carrying some bad language, too—and it originates in Parliament.

Australia's federal Parliament has been on the air several years, and attracts maybe 10 per cent of listeners—more at "question time" in the House of Representatives.

Listeners Protest
 Recently Speaker Archie G. Cameron has been receiving letters from listeners protesting offensive language in asides picked up by the sensitive microphones.

He told the House:
 "I am receiving most alarming reports from all over Australia."

Judge Grants Request To Have Baby In Jail

MIAMI, Fla. (AP) — A woman's wish to give birth to her baby in jail was granted yesterday by Federal Judge George Whitehurst. Mrs. Seena Barrientes appeared in court on a charge that she violated a three-year probation given her for unlawfully receiving a soldier's dependency checks. She was returned here from Pierre, S. D., when she failed to make the required periodic reports.

"Did I understand you to say you want to go to jail?" Judge Whitehurst asked.

"Yes," she replied. "I have no money and I want to go somewhere to have the baby."

The judge agreed to give her a six-month term.

"I don't think you deserve that kind of a sentence," he commented. "I'm inclined to feel that you were guilty technically, but not morally, in accepting the checks."

and I was prepared to be lenient with you.

"But I'll give you enough time so you can have the baby."

Mrs. Barrientes told the court she was married at 16, then got a divorce and married a soldier when she was 19.

"But I found out that my divorce was not legal," she said. "By that time I had received my husband's government checks as his wife. I got the first marriage annulled and remarried the same man, but I didn't return the checks to the government."

"Now I am separated from my husband and expecting a baby some time around Christmas. I want to go to jail and get away from everything."

Flames Rage Through Town In Oklahoma

PORUM, Okla. (AP)—Five buildings in the business district of this small Eastern Oklahoma town were damaged yesterday by a fire that for a time threatened the entire business area.

The flames raged two hours before being brought under control by fire fighters and equipment from three nearby towns. No one was injured. Muskogee Fire Capt. Willard Howdeshell said the loss might total \$100,000.

Frost kills all varieties of corn. Growth of corn is checked by cool nights.

RECENTLY ASSIGNED to duty at Camp Breckenridge, Ky., was Pvt. Theodore H. Englund, son of Mr. and Mrs. Theodore Englund of Ford River. Englund entered army service in July, 1952, reporting then at Fort Custer, Mich.

Nahma

NAHMA—The first meeting of the Nahma PTA for the present school year was held at the school Tuesday evening. Due to the small group present installation of officers was postponed until the October meeting. A social hour of cards followed the meeting. Ira Hansen and Mrs. Lew Bramer held high scores in 500 and cribbage. Lunch was served by the teachers in the school dining hall.

Birthday Party
 Joyce Barnes, daughter of Mrs. June Barnes, had a birthday party Tuesday afternoon after school at the home of her grandparents, Mr. and Mrs. Martin Kousbaugh. Joyce was 10. A party lunch was served after which the honor guest opened the gifts presented her.

Attending were David and James Moore, Mary Kay and Johnnie Rogers, Tommy and Richard Krutina, Beatrice Newhouse, Roseann and Mary Beth Sargent, Pamela Larson, Christine Peterson and Carol Hebert.

Nahma Woman's Club
 The Nahma Woman's Club will meet at the Civic Center Tuesday, Sept. 16, at 8 p. m. The hostess committee is Mrs. Martha Ward, chairman, Mrs. John Schwartz Sr., Mrs. Victor Thibault and Mrs. Henry Sargent.

Personals
 Ed Vergis of Little Suamico, Wis., was a guest this week at the home of Mr. and Mrs. Ed Tobin.

Paul Thibault left today for Ann Arbor to begin his studies at the University of Michigan.

Mothers Of Big Families Given Free Vacations By Lawrence Ex-Professor

TRAVERSE CITY, Mich. (AP)—Because a mother died 40 years ago before one of her 10 children could give her "a real vacation," 25 mothers of big families are enjoying a sumptuous four-day vacation today.

Dr. Earl Baker, a retired doctor of philosophy who turned resort operator, is playing host to them.

Garden

GARDEN—Mr. and Mrs. John Jacques of Garden announce the birth of a daughter Sept. 7 at Schoolcraft Memorial Hospital. The baby, whose name is Donna Jean, weighed 8 pounds and 3 ounces.

GARDEN—The place of the guild meeting Sept. 17 has been changed from the home of Mrs. Paul Lankey of Van's Harbor to that of Mrs. Nora Lester in town.

PTA Meeting
 The first meeting of the Parent Teachers Association for the season was held Monday night. Mrs. Calvin Richard is president, Miss Irene Brown, secretary and Kenneth Ralph, treasurer.

Briefs
 Mr. and Mrs. Charles Gauthier took Mrs. Helen Murray, sister of the latter to her home in Powers Wednesday after she had been their guest for two weeks. Their son Paul accompanied them to Escanaba where he joined the group of inductees who went on to Milwaukee for physical examinations.

Charles Winter is confined to his home with a summer cold.

Milton Farley spent Sunday here with his parents. He is working on road construction at Moran, near St. Ignace. Norman Rochefort and Earl Rost are also working there.

Slight Drop Noted In Wholesale Prices

WASHINGTON (AP)—Substantial declines in the price of livestock, eggs, some feed grains and fresh fruits and vegetables pulled the overall wholesale price average down two-tenths of 1 per cent during the week ended Sept. 9.

The Bureau of Labor Statistics, announcing this yesterday, said its price index for the week was 111.5 per cent of the 1947-49 average.

Resuscitator Agent Arrives Just In Time

CORSICANA, Tex. (AP)—Herman G. Shaw, Houston resuscitator salesman, had a made-to-order chance.

Shaw was en route to another city yesterday. Ahead of schedule, he stopped by a central fire station here.

As he walked in one door, firemen walked in another carrying Chester Vise, a fireman overcome by heat and smoke.

Shaw set up his sample resuscitator and revived Vise.

Not one to let the opportunity escape, Shaw called on Lions Club officials to attempt to persuade the club to buy a resuscitator for the fire department.

Firemen's Clinic Opens Tonight

About 100 firemen are expected to arrive here this afternoon for the sixth regional fire school which will open tonight and continue until Thursday.

The men will convene at the local fire stations from cities in a 100-mile radius of Escanaba. The four-night clinic will include classes in ladder evolutions, pump operations, use of ropes and lectures on fire inspection laws and regulations, arson, fire inspection techniques and fire prevention.

A public demonstration in extinguishing of an oil pit fire will be given Thursday night at 8:40 on the site of the razed federal docks south of Wells. Fifteen barrels of oil will be ignited into a blaze which members of a fire fighting team will extinguish in 30 seconds.

The Escanaba fire department and Glen S. Leonard, the city safety director will be hosts to the convening firemen.

This will be the sixth school of its kind sponsored in this area by the University of Michigan extension service in cooperation with the Michigan State Police fire bureau and the office of vocational education of the department of public instruction.

The regional school is brought to this area to accommodate firemen who are not able to travel to the annual U of M fire clinic held in Ann Arbor.

Classes here will begin at 7 p. m. and end at 10 p. m. each day.

Mother Of 13 Killed At Rensselaer, Ind; Section Hand Held

RENSSELAER, Ind. (AP)—A railroad section hand was held today on a preliminary charge of murdering his wife, the mother of 13 children.

State police said the shooting occurred after John DeYoung, 51, came home from a fishing trip early Sunday and found himself locked out.

His wife Susie, 48, was shot at the front door, and their daughter Violet, 20, was wounded critically. The gunfire awakened nine children asleep upstairs in the house at Virgie, 15, miles northwest of Rensselaer.

Officials are trying to find a way to keep the 10 unmarried children together. The youngest is 3.

Bones Of Old German Rulers Returned To Hohenzollern Castle

HECHINGEN, Germany (AP)—The bones of Frederick the Great and his father, Frederick Wilhelm I, rested in the 1,000-year-old hilltop Hohenzollern Castle here today after seven years of wandering.

Members of the old imperial family brought the caskets of the two great Prussian kings from Marburg for reburial yesterday. The hallowed national relics will remain here, the family said, until "Germany will again be reunited in freedom."

The family hopes to return the bodies eventually to their former resting places at Potsdam, now in Soviet East Germany. They were removed from there during World War II and hidden in a salt mine in Saxony. The American Army later moved them to Elizabeth's Church in Marburg.

Iranians Too Lazy, Finance Wizard Says

TEHRAN, Iran (AP)—German financial expert Hjalmar Schacht left for home last night to prepare an economic new deal for Iran, but he bluntly told the Iranians they were "lazy" and would have to work harder to get on their feet.

Schacht, whose financial wizardry backed Hitler's rise to power, said poverty stricken Iran must increase its productive labor and encourage private enterprise. Speaking with reporters at Tehran airport he added that Iran "should increase insurance companies, cooperative companies, banking companies and get rid of (government) monopolies."

The German expert said he would prepare a full report of reforms to aid the economic-stricken country.

Truckers Threaten Strike In Germany

BERLIN (AP)—West Berlin was threatened today with a strike of 600 trucking firms which carry 30 per cent of all supplies to the isolated city on the superhighway from West Germany through the Russian Zone.

The truckers voted to go on strike at midnight Tuesday, unless they obtain financial aid from the Berlin and West German governments.

Tussle Fatal

DETROIT (AP)—John Wachocki, 67, dropped dead Sunday after grappling with his 19-year-old son, Ted, in a dispute over the youth's staying out late. A post mortem examination was ordered to determine the cause of death.

One type of extinct American bat attained a height of 14 feet.

WINTER IS HERE—While much of the nation is experiencing mid-summer temperatures, a privileged few are enjoying an early start at winter. David Duffield tosses a snowball at his brother, Peter, as the first snow falls in Donner Summit, Nevada. (NEA Telephoto)

Little Leaguers Eat With Kiwanis Club; Packer Movie Shown

Young players in the championship Escanaba Little League baseball team, and their manager, Skinny Dagenais, were guests of their sponsors, the Escanaba Kiwanis Club, this noon at the House of Ludington.

Movies of the Green Bay Packers football team featured the program. Chairman for the day was Charles Hammar.

Hamtramck Airmen Killed In Plunge At Zanesville, Ind.

ZANESVILLE, Ind. (AP)—Lt. Henry J. Paruch, 32, of Hamtramck, Mich., was killed here Sunday as his Navy Corsair plane crashed while he was attempting to lead a three-plane flight under a thundercloud.

Paruch and the other Naval reserve pilots were on a navigation training flight from Grosse Ile Naval Air Station at Detroit to Fort Wayne, Ind., when they ran into a rainstorm.

One of the other pilots, Lt. John L. Bernard, Jr., of Toledo, said Paruch, with five years Navy service, led the flight into a downward spiral in an attempt to get under the cloud. Bernard and Lt. John Olson, of Wall Lake, Mich., pulled up when they found the ceiling was less than 250 feet, but Paruch continued down and crashed.

Middle Atlantic States Expected To Go Republican

(Continued from Page One)

taxes and corruption in government. Here and there, editors noted that Republicans who had preferred Sen. Robert A. Taft of Ohio as the presidential nominee seemed to be holding back on Eisenhower, perhaps with intentions of not voting at all. Others reported that some independent voters appeared to be turning toward the general.

Stevenson's greatest strength, as is usual for Democratic candidates, was assigned to industrial and urban areas.

Taft Men Hold Back
State by state, this is the picture: New York (45 electoral votes)

Estimates put together from 65 participating newspapers indicate belief that Eisenhower should take Stevenson's measure by some 360,000 votes, whereas Dewey edged out Truman by 61,000 in 1948. That's on the assumption that the total vote this year will be about the same as the 6,131,000 ballots cast in 1948 for the Republican, Democratic and Progressive party candidates. Actually, the vote may be considerably larger than four years ago.

The editors and writers believe Eisenhower will make a stronger showing than Dewey did both in the five counties making up New York City and the 57 upstate counties outside the city. They see Stevenson as running ahead of Truman in the city out being upstate.

Margaret Truman Signed Up On Radio

BEVERLY HILLS, Calif. (AP)—Margaret Truman, here for a guest appearance on Jimmy Durante's television show next Saturday, went night-clubbing last night with producer Henry Wilson.

Long-time friends, they appeared at Ciro's.

The President's daughter arrived yesterday from New York. Asked what her plans are when her father leaves office next January, she replied, "They're all taken care of. I've been under contract to NBC for two years and the contract has been renewed. Of course, I'll continue to live in New York."

Fall From Car Fatal To Ypsilanti Girl, 5

SUNBURY, Pa. (AP)—A 5-year-old Ypsilanti, Mich., girl was killed Sunday when she fell from a moving auto on Route 11 near Northumberland.

Leah Tsikouris died at Sunbury Community Hospital several hours after she had opened the back door of a car being driven by John F. Sassman, Northumberland, and tumbled out.

Leonard Heads Detroit Police

DETROIT (AP)—Former State Police Commissioner Donald S. Leonard was named today as Detroit police commissioner to succeed George F. Boos, whose resignation is effective Oct. 15.

Mayor Albert E. Cobo named Leonard to the \$16,127 a year job—a salary more than twice what the state police commissioner's job paid.

Leonard resigned from his state police position to make an unsuccessful bid for the Republican nomination for governor.

The 49-year-old Leonard, a "career policeman," joined the state police as a trooper in 1928. He rose through the ranks and in 1927 was named by former Governor Sigler as commissioner.

Leonard and his wife, the former Kathryn Gillette, daughter of a state police captain, live in Detroit with their three children.

Boos resigned last week after differences with the city administration over police department policies.

And in Albuquerque, there was real feeling in his voice when he said, "This is untrue. This is mischievous. This is unworthy of people who aspire to lead us." He was referring to Republicans claims that American diplomatic leaders "gave away" Poland and China.

Stevenson says he "found the Democratic party unified and enthusiastic" everywhere along his Western trip.

In New York, Stevenson will address the American Federation of Labor Convention and he is expected to amplify his views on the Taft-Hartley Act, first enunciated at Detroit on Labor Day. He will speak again on farm policy at Ft. Dodge, Ia., Oct. 4.

Tonight, a half-hour program, "Campaigning With Stevenson," will be televised and broadcast nationally at 9:30 p. m., Eastern Standard Time.

Traffic Mishaps Take 16 Lives In Michigan; Son Shoots Father

(By The Associated Press)

Sixteen persons met death in traffic crashes in Michigan over the weekend.

The accidental death toll rose to a total of 20 with the deaths of a farmer and a young boy in gun-fire mishaps and the death of three fliers in a plane crash.

Norman Averill, 40, an Otisville farmer, was accidentally killed Sunday by his son Norman, Jr., 20. As the son raised a .22 calibre rifle to shoot at crows, the trigger caught in his clothing, discharging the gun and fatally wounding the father sitting in a car nearby.

Tim Young, 13-year-old son of Mr. and Mrs. Aubrey R. Young, of Saginaw, was killed by a five-year-old playmate in Tuscola County Saturday.

The five-year-old, Jerry Blehm, said "I didn't know it was loaded" when he pointed the gun at the Young boy.

Detectives said young Gietzen called patrolmen to the home and said:

"I've just shot my father. You'll find him in the back room. The gun is on the table."

The son, a worker in an electrical parts plant, was quoted by officers as saying:

"We have had many disagreements that bothered me. This has been going on for years."

The son said he went to a beer garden Sunday, returned home and shot his father as he slept.

Scientists Get Look At Mexican Volcano

SAN DIEGO, Calif. (AP)—Scientists back from their first aerial view of the world's newest volcano said today the belching mountain on an island off Mexico's West Coast already is on the decline.

Dr. Robert S. Dietz of the Naval Electronics Lab here said the volcano on uninhabited Benedicto Island in Mexico's Revillagigedo Group probably had its big blow-off when it started erupting six weeks ago.

While the volcano still belches clouds of smoke and yellow ash every 20 minutes, Dietz said gas odors from the 1,050-foot ash cone indicate the volcano is declining.

Traitors Warned

TAIPEH, Formosa (AP)—Chinese abroad were warned today they would be blacklisted as traitors if they celebrate Red China's National Day Oct. 1. The warning came from Cheng Yen-fen, head of the National Overseas Affairs Commission.

Stevenson Maps Out Campaign In Doubtful States

(Continued from Page One)

a major speech in Springfield, Mass., Friday, Stevenson is reserving his big effort there for later in the campaign.

However, he will travel there by automobile, "klaxon stopping" in a number of Massachusetts cities en route.

Part of his purpose of this swing, as it was during the Western trip, will be simply to let people see him, make himself known, and soften up the territory for his bigger efforts later.

For that reason, his managers say, he did not attempt—except in a few of his appearances—to hammer the basic issues very hard in the West. A fast man with a phrase, Stevenson devoted at least half his time in the "whistle stops" between San Francisco and Los Angeles for example, simply to amusing his audiences with a flicking of a satirical whip at the Republicans.

Sounds Like Smoothie
The reactions to that were not all good.

Bystanders told correspondents on the tour he sounded "a little too smart," and said, in Kason, Minn., "he impresses me as being a smoothie."

Apparently some of these reactions have come back to Stevenson, for he said in Albuquerque, "I don't look on this campaign as a funeral—at least not as my funeral—and I intend to go on talking as I have been."

It was obvious, everywhere on the trip, that what the people want is a lambasting, rip-roaring, "give 'em-hell" type of approach. Whenever he approached, or seemed to approach, this kind of reference, there were violent crowd reactions.

So far, Stevenson has not permitted much heat or aggravation to crimson his usually stately language. He came near it in Denver when he said he was sorry his GOP opponent, Gen. Dwight Eisenhower, seemed to imply that (Stevenson) could not cope with any corruption in government. "I shall not repay him in kind," he said.

Finds Party Unified
And in Albuquerque, there was real feeling in his voice when he said, "This is untrue. This is mischievous. This is unworthy of people who aspire to lead us." He was referring to Republicans claims that American diplomatic leaders "gave away" Poland and China.

Stevenson says he "found the Democratic party unified and enthusiastic" everywhere along his Western trip.

In New York, Stevenson will address the American Federation of Labor Convention and he is expected to amplify his views on the Taft-Hartley Act, first enunciated at Detroit on Labor Day. He will speak again on farm policy at Ft. Dodge, Ia., Oct. 4.

Tonight, a half-hour program, "Campaigning With Stevenson," will be televised and broadcast nationally at 9:30 p. m., Eastern Standard Time.

Power Station Close To Siberia Hit By Bombers

(Continued from Page One)

stacks of the power house, pilots said. The explosion sent up a huge cloud of white smoke and a fire broke out almost immediately.

Supply Lines Raided
Other naval planes hit the near-by Komusan cement factory and a carbide plant.

The toll of 120 Red trucks reported by the B26 pilots indicates the Allies are shifting at least part of their aerial strength back to "Operation Strangle" in an effort to catch Communist supplies on the move.

Last spring U. N. warplanes concentrated on railroads, highways and vehicles. In the summer they directed their heaviest blows against power installations, munitions plant, factories and military installations.

Taft Backs Sen. Lodge In Bid For Reelection

BOSTON (AP)—Sen. Henry Cabot Lodge (R-Mass.) says he has the support of Sen. Robert A. Taft (R-Ohio) in his bid for re-election.

Lodge was one of the leaders in the movement to put Dwight D. Eisenhower into the presidential race and served as his pre-convention campaign manager.

Lodge said Taft had expressed his support of him in a letter to a Massachusetts voter. He said the letter was in response to reports that a "Taft for Kennedy" movement had the Ohio senator's approval.

Rep. John F. Kennedy (D-Mass.) is opposing Lodge in the coming election.

Polio Deaths Mount In Iowa And Nebraska

DES MOINES (AP)—The polio epidemic in Iowa and Nebraska, already the hardest hit states of any in the nation this year, continued to mount today.

Iowa counted an all-time high of 106 polio fatalities — 16 more than the previous record of 90 in 1945. Nebraska had 56 such deaths and over 1,200 cases reported.

Carnival Hand Admits Murder

ELIZABETHTOWN, N. C. (AP)—Sheriff John B. Allen says a former Negro carnival worker has confessed to the rape and murder of a white woman.

The sheriff said the confession was made yesterday by Douglas Grisson, a 25-year-old Negro from Virginia, who was fired as a carnival laborer last Friday.

Murder and rape each carries the death penalty in this state.

Solicitor Malcolm Seawell said he would present bills of indictment to the Bladen County grand jury. The action was expected today.

Mrs. Thad White, 20, was found dead in a cornfield near her house Saturday. She was battered almost beyond recognition. The kitchen of the house was blood-spattered, as was an iron found on a table. Alongside her almost nude body was a bloody piece of timber.

Grisson has been kept at an undisclosed location since he was taken into custody.

The attack apparently took place Saturday morning while her husband was at work.

Mrs. Dahlberg, 81, Dies, Funeral Services Tuesday

Mrs. Augusta Dahlberg, 81, of 211 N. 11th St., died Saturday at 8 p. m. following a long illness.

She was born in Ertemark, Dahland, Sweden, June 11, 1871 and came to the United States as a girl. She lived first in the Copper Country and the greater part of her life in Negaunee.

She moved to Escanaba in 1940. Her marriage to Samuel Dahlberg who preceded her in death took place May 3, 1897.

She is survived by the one daughter, Mrs. T. H. Vowler of Lansing, three grandchildren and six great grandchildren, and two nieces, Mrs. John M. Perrault, Marquette, and Mrs. Emerson Archey, North Bay, Ontario, Canada.

The body was taken to the Boyce funeral home where friends may call beginning at 5 p. m. today. Services will be held at the funeral home chapel at 2 p. m. Tuesday with the Rev. Gustav Lund of Bethany Lutheran Church officiating. Burial will be in Gardens of Rest cemetery.

Hope Dim To End Iran Oil Dispute

(Continued from Page One)

phazised fears of a Communist takeover in Iran, is that two weeks ago in the Truman-Churchill offer they thought they had the whole situation wrapped up for settlement. In months-long talks with American and British officials, Mossadegh had indicated what seemed to be his major demands. The Truman-Churchill proposal was designed to meet those demands, according to both British and American officials.

In substance it offered legal recognition of nationalization, dropped British insistence on supply technicians to run the oil industry, and provided means for Iranian oil to begin moving soon again to world markets. In addition it offered 10 million American dollars to ease Mossadegh's financial plight.

The Premier immediately rejected this offer and summoned Parliament to formalize his statement. The only reason that the attitude here is not one of complete despair is that Mossadegh has stalled off the opening of Parliament, originally set for last Wednesday, and has otherwise indicated that he wanted to keep the door to negotiation open.

However, the expectation here now is that his rejection will be confirmed.

Eisenhower Takes Up Stevenson Puns

(Continued from Page One)

train rolled into the areas where Sen. Robert A. Taft of Ohio got strong pre-convention support in his losing battle for the GOP nomination, the general's aides met with silence a threatened defection by Sen. Wayne Morse, Oregon Republican.

Morse, who previously had offered to campaign vigorously for the general, said in Washington he will sit this one out. He indicated he doesn't like Eisenhower's agreement with many of Taft's views.

Carlson, who served as the trouble shooter who brought Eisenhower and Taft together in a "unity" meeting last Friday, was expected to be assigned the task of attempting to get Morse back into camp.

Gets Labor Votes

As an indication of the strength of the new alliance between Eisenhower and Taft, Victor A. Johnson, field director for the GOP Senatorial Campaign Committee and a paid pre-nomination worker for Taft, turned up as a staff member of this political campaign train.

Eisenhower will leave the train at St. Paul, Minn., tomorrow to fly back to New York City to speak Wednesday before the American Federation of Labor Convention. Stevenson will address the convention Sept. 22.

The Republican nominee's backers say they expect the AFL to endorse Stevenson, but as Carlson put it: "Ike will get more labor votes than any Republican ever got before."

Destroyer Coates Gets Hole In Hull During War Games

EDINBURGH, Scotland (AP)—The U. S. destroyer Coates limped into port today with a hole in her hull, knocked out of the North Atlantic war games Operation Mainbrace by a collision. There were no casualties.

The Coates and the U. S. depot ship Tidewater came together in the Clyde Saturday night. The Tidewater was only slightly damaged.

Copenhagen, Denmark, Orange (enemy) naval forces, taking part in Operation Mainbrace were reported in full flight to the south-east today, pursued by Blue (NATO) warships after suffering defeat in a battle during the night.

London And Return

LONDON (AP)—Without hat, coat or baggage, Rep. Franklin D. Roosevelt Jr. (D-N. Y.) flew in from New York today on a private business trip and told newsmen he hoped to get a plane back tonight.

Elaine Beck Is Bride, Wedding At Bethany Church

Imported Chantilly lace and Italian tulle over traditional bridal satin fashioned the gown worn by Miss Elaine Joyce Beck, daughter of Mr. and Mrs. Einar S. Beck of 1125 N. 18th St., for her marriage Saturday to Richard Earl Nelson, Mr. and Mrs. Ewald Nelson, 616 N. 18th St., are the bridegroom's parents.

The gown was designed with a lace bodice, a standup collar, long pointed sleeves and a full skirt which extended into a train. Lace formed a front panel and edged the train. Her veil was fingertip length caught to a Juliet cap trimmed with seed pearls. Her jewelry, a strand of pearls, was the gift of the bridegroom. She carried a lavender orchid with cascading white baby mums.

The 3 p. m. double ring service was solemnized at Bethany Ev. Lutheran Church by the Rev. Gustav Lund. White gladioli adorned the altar and were arranged in the chancel to form the setting for the ceremony. Miss Sandra Shipman, a classmate of the bride, soloist, sang "Because" before the ceremony and "The Lord's Prayer" during the service. Don Aronson was organist.

Bridal Aides in Blue

The bridal attendants wore gowns styled alike, with strapless lace bodices, lace boleros and bouffant skirts of nylon net over taffeta. Their pearl necklaces were gifts of the bride. Their head-dresses matched the gowns and their flowers were cascade bouquets of rubrum lilies. Miss Dora Rose of Evanston, Ill., who was maid of honor, wore ice blue. Miss Janice Nelson of Marquette, a cousin of the bride, who was bridesmaid and the bride's sister, Carol Ann, junior bridesmaid, were in royal blue. Little Joan Anderson, another cousin of the bride, who was flower girl, wore a frock of white net over organza with a blue sash. She carried a basket of mixed flowers. Bruce Beck, the bride's young brother, carried the rings on a white satin pillow.

Mr. Nelson had Donald Scott as his best man. Groomsman was Charles Hoyer and Joseph Butryn, an uncle of the bride, and Rudy Gafner, an uncle of the bridegroom, ushered.

Home Reception

Mrs. Beck attended her daughter's wedding in a navy blue ensemble with a corsage of red roses. Mrs. Nelson wore a grey and black print with black accessories and a corsage of white roses.

The color theme of the wedding, blue and white, was used in the decorations for the reception for 250 guests at the bride's family home. Fall flowers were arranged with white wedding bells. Miss Patt Doucette and Miss Joan Dishno poured and Mrs. William Moersch, an aunt of the bride, served the wedding cake. The newlyweds will live at 113 N. 11th St., when they return from their honeymoon. The bride is a graduate of Escanaba High School and is a clerk-typist with the Delta-Menominee District Health Department. Mr. Nelson, who served in the U. S. Army two years, attended Michigan State College following his graduation from Escanaba High School. He is employed by the Chicago & North Western Railway.

Wedding Guests

Wedding guests included Mrs. S. M. Flink and Mrs. Herman Nelson of Wells, Minn.; Mrs. O. T. Wharton, Lansing, Mr. and Mrs. Ralph Nelson and daughter Sharon and Mr. and Roger Nelson of Newberry, Mr. and Mrs. Walter Nelson and family of Marquette, Mr. and Mrs. William Moersch and children Clayton and Karen of Neenah, Wis.; Mr. and Mrs. Melvin Holmes of Menasha, Miss Dora Rose of Evanston, Leonard Beck of Black Eagle, Mont.; Mr. and Mrs. George Gorchien of Green Bay, Mr. and Mrs. Joseph Butryn of Schaffer and Miss Beverly Nelson of Chicago.

Social-Club

Evening Star Meets

BETHANY LUTHERAN CHURCH was the setting for the wedding Saturday of Miss Elaine Joyce Beck, daughter of Mr. and Mrs. Einar S. Beck, to Richard Earl Nelson. The reception was held at the home of the bride's parents. (Portrait by Millie)

Lois Mae Hill Is Bride, Wedding In Milwaukee

Father Gerald Setnicar officiated at the nuptial high mass at St. Mary's Church in Milwaukee Aug. 23 at which Miss Lois Mae Hill, daughter of Mr. and Mrs. Sigwald W. Hill of 1812 1st Ave. S., Escanaba, became the bride of George Vogel of Milwaukee. White gladioli on the altars formed the setting for the 10 a. m. service.

The bride wore ice blue Swiss embroidered organza over white organza. The ballerina length skirt of Bo-Peep fashion had a scalloped hem and the scallops were repeated at the neckline of the snug-fitting bodice. Her flower-car was white roses and baby chrysanthemums. Like flowers, centered with an orchid, formed her bouquet.

Mrs. Robert W. Kelm, the former Mary Ellen Hendricks, as matron of honor, wore a sea green ballerina lace dress. Her headband and bouquet were Talisman roses.

Mrs. Hill attended her daughter's wedding in an ensemble of silver grey silk shantung with which she wore coral accessories and an orchid corsage.

Mr. Kelm was best man for Mr. Vogel who is a son of George Vogel of Milwaukee.

The wedding supper for immediate family members, was served at the Boulevard Inn. The newlyweds after a honeymoon at Mackinac Island and in Canada will live at 6132 W. Lisbon Ave., Milwaukee. The bride is a graduate of Escanaba High School and Prospect Hall, Milwaukee. Her husband is owner of the Vogel and Porney Construction Co. in Milwaukee.

Personals

Mrs. Mose Martin of 1314 Fourth Ave. S. has returned from Brussels, Wis., where she attended funeral services Saturday for her sister, Mrs. Charles Martin, who died Thursday morning. Services were held in St. Mary's Church.

Mrs. Icle Roberts and Mrs. Charlotte Severinsen have returned from a visit with friends in Charlevoix.

A2C Wayne D. Papineau has arrived from Keesler AFB, Miss., to visit his parents, Mr. and Mrs. Thorold Papineau, 612 S. 11th St. He will report at Camp Kilmer, N. J. for overseas assignment.

Gerald Dufour left Sunday for Houghton where he is a senior at the Michigan College of Mining and Technology, majoring in civil engineering, following a short vacation at the home of his parents, Mr. and Mrs. Louis Dufour, Wells.

Mr. and Mrs. Walter Benzie today left for Ann Arbor, where Mr. Benzie will begin studies for a master's degree in public health engineering. Dorcas Circle Meeting
The Dorcas Circle of the First Methodist Church will meet at the home of Mrs. Donald Ness, 510 S. 11th St., Wednesday at 8 p. m. Co-hostess is Mrs. E. J. Eden. Devotions will be led by Mrs. Roy Ness and the program is in charge of Mrs. Gene Hebert.

Today's Recipes

Here is a recipe for green tomato mince meat you will want to try. It comes from Mrs. Percy Bruce of Powers who has used it with great success.

Green Tomato Mince Meat
Three pounds green tomatoes
Three pounds apples, chopped
Two pounds raisins, chopped
Eight cups brown sugar
Two tablespoons salt, level
One cup suet, chopped
One cup vinegar
Two tablespoons cinnamon
Two teaspoons cloves
One teaspoon nutmeg
Chop tomatoes and drain. Measure juice and add equal amount of water to pulp. Seald mixture and drain off the liquid. Repeat this process twice by adding fresh water and draining. To the mixture add apples, sugar, raisins, salt, suet and spices. Cook until clear. Put in jars and seal.

Parental Temper Tantrums Invite Child's Imitation

By Elizabeth B. Hurlock, Ph.D.
There is no question that children at all ages can be annoying to their parents. How the parents react to this will determine to a large extent what sort of people the children grow up to be. That is why this mother should watch her step:

(J) "I am the mother of four young children. My husband's job takes him away from home a lot so I have their full care and responsibility. They are good children but very troublesome at times. This annoys me and I lose my temper. Then I sometimes say or do things I'm sorry for later. It makes the children resentful and hard to manage. Will it do any permanent harm to their feelings for me?"

Losing your temper and saying or doing things that you later regret can hurt your children seriously in two ways. First, it can make them increasingly resentful toward you. This will not only make them difficult to handle but it will cause a strained relationship between you.

Secondly, you are showing your children a pattern of behavior which they are pretty sure to imitate. When you get angry and say or do things to hurt others, they will logically think this is the correct way to behave and will follow your example. In their relation-

ships with each other and with other children, they are then likely to be petulant and demanding.

It is naturally hard on you to have so much of the responsibility of the children while your husband is away. It is hard on them to be deprived of their father's companionship during the formative years of their lives. Couldn't your husband get the kind of work that would enable him to be at home most of the time when he is not at the office?

This would reduce the strain that is on your shoulders and would enable you to be less emotionally tense. That, in turn, would help you to manage your children with less friction and tension. If however this change cannot be made, it is up to you to learn self-control.

Dr. Hurlock is author of 12 books in psychology. Her advice in this column is free. Write her in care of this newspaper.

Personnel Of Band Listed

The 1952 edition of the Manistique high school band, rated as the equal of several outstanding bands produced in recent years under the direction of Joseph Giovannini, contains 64 players and seven majorettes.

Manistique football fans have had an opportunity of hearing the band and watching it maneuver at two home-football games, and have been highly impressed by its ability.

Several Emerald gridders also are members of the band but are unable to appear with it during football contests.

Personnel of the band follows:

Coronets: Bill Moore, Warren Wilson, Bill Morden, Kenneth Dixon, Wayne Richards, Steve Smith, Alroy Mersnick, Bill Sheahan, Marilyn Jackson, Jill Harbin, Jim Swartstrom, Jack Rogers.

Flutes: Margaret Quick, Helen McGlothlin.

Saxophones: Janet Sheahan, Donna MacGregor, Sally Stoor, Stanley Arnold, Sally Creighton, Clara Frankovich, Adele Frankovich, Carol Martinson, Gail LaBrasseur.

Horns: Bob Maxwell, Marlene Carlson, Marlene Gray, Ruth Ann Burns, Carl Swanson.

Trombones: Gordon Burns, Bill Blanchard, Dick Smith, Oran Freeland, Mary Gilland.

Tubas: Jon Schuster, Nick Babladelis, Bob Corson.

Drums: Adol LaCroix, Maurice Creger, Joe Nelson, Myrene Briggs, Janet Pollack.

Clarinet: Bob Nelson, Bob Bouschor, Jean Osterhout, Harriet Wilson, Helen Babladelis, Donna Larson, Mary Ann Mincoff, Mary Ann Nastoff, Lois Williams, Gail Willour, Mavis Talbot, Pat Vezina, Mary Stewart, Rita Roussin, Ruth Ann Gupdiebeck, Priscilla Peters, Barbara Crook, Beverly Gentz, Mary Frankovich, Jim Garvin, Carol Peterson.

Baritone: Mary Ella Giovannini, Catherine Hall.

Majorettes: Sonya Willson, Hope Willson, Jean Knuth, Betty Nickerson, Nancy Winsor, Marilyn Judd Norton.

Library Receives Pamphlets From Health Department

MISS MARY RASMUSSEN, daughter of Mr. and Mrs. George Rasmussen, of Route 1, Manistique, is here shown in the laboratory of Grant Hospital, Chicago. A graduate of Manistique high school of the class of 1948, Miss Rasmussen continued her higher education at the Michigan College of Mining and Technology for three years. For the past year she has taken the equivalent of her fourth year of college as a student at the Grant Hospital School of Medical Technologists. Upon completion of her course on September 2, she becomes a Registered Laboratory Technologist, and a graduate of the Michigan College, class of 1952.

Portable Pumper On County Fire Truck Is Needed, Expert Says

C. W. Warner, of Belmont, an instructor in firemanship training for the University of Michigan extension service, stated that the purchase of a portable pumper for the Schoolcraft County fire truck was a "must", in a talk Friday evening to local firemen and city officials.

Speaking in the fire hall at a supper sponsored by firemen, Warner said that the county truck operated by the Manistique fire department, carried insufficient water to do an effective job on bad rural fires.

A portable pumper to go with the truck is definitely needed if the fire fighting machine is doing the task it was purchased for, he pointed out. A portable pumper can be handled easily by two men and can be used to draw water from ponds, lakes or streams to put out farm and village fires.

More Manpower Needed

He also recommended that the city purchase a portable light plant for use in fighting night fires in Manistique. Such a plant would eliminate the hazard of accidents to firemen working in semi-darkness at a night blaze, he stated.

The speaker also urged that more manpower be made immediately available at fires. Volunteers, he pointed out, usually cannot get to the scene at once, and if the fire is bad one man on the city truck is not enough. He said that some communities utilize the

system of having an unpaid volunteer "sleeper" at the fire hall each night to provide the extra emergency manpower.

Additional immediate manpower is needed today more than in other years, the speaker said, because many of our fires now are hot, flash fires due to the extensive use of inflammable liquids.

Urges Rural Volunteers

He also pointed to the need of more men at rural fires and cited systems followed in some lower Michigan areas where a corps of volunteers operates in various townships and villages. These men are called when a fire occurs in their areas and some of them are at the blaze when the county truck, driven by one city fireman, arrives.

Warner, who has been conducting instruction classes nightly for a week in Manistique, joined local firemen in fighting a blaze which Friday morning destroyed the Manistique and Lake Superior Railroad roundhouse.

"The firemen did an excellent job and there was plenty of water pressure," Warner said.

Compliments City Council

The speaker complimented the City Council for providing excellent fire fighting equipment in the community. "Your new truck and pumper is the best available," he said. New rubber coats and boots purchased for firemen, he said, should be used only for fire fighting. Firemen, he pointed, have an obligation to keep their equipment in good condition as long as city officials are willing to provide them the best.

The speaker concluded his message by pointing to the fire death rate in Michigan, 231 persons dying in fires in 1951 and another big loss of life being indicated for 1952.

He warned in particular against smoking in bed or while lying down, stating that this often amounted to virtual suicide, and urged that the city support the program of National Fire Prevention Week in October.

Mayor Vern C. Linderoth presided at the meeting.

City Recreation Plans Discussed

Preliminary plans for fall and winter activities were outlined at a meeting of the Manistique Recreation Commission at 5 p. m. Friday at City Hall.

The board will meet again at 7 tonight to complete reorganization and give further study to the season's program.

Various matters pertaining to community recreation were discussed by the board at the session Friday. It was the first meeting for two new members, Arthur Allen and Ivor Wilcock. Other members are Mrs. E. H. LeBrasseur, chairman; Emery Barnes and John F. Wood.

Also attending the session were T. H. Reque, director and H. W. Heideman, city manager. Reque also is board secretary.

To Ask Fund Release

The board decided to attend the next regular meeting of the City Council and request release of a \$4,500 appropriation for development of Central Park. Expenditure of some of the appropriation is planned for erection of backstops at new softball and baseball fields and fencing and top soil at the softball site.

Commissioners also instructed Ivor Wilcock, who is a member of the Manistique Board of Education, to ascertain if portable bleachers in the Hall stadium can be rented for spring and summer softball contests.

The organization of a program of square dances during the winter was recommended, and the recreation director was instructed to make plans for it. The board proposed that square dance instruction be given at Lincoln school gymnasium and at an east-side hall.

The possibility of reactivating the Manistique Ski Club was discussed and the director was instructed to arrange for a meeting, date to be announced later. Parents of junior ski-riders will be invited, in particular, to the session.

Key Members Lost

The loss of two key members of the ski group, E. J. Thompson and Ted Hentschell, was cited as the reason for a review of the ski program. Thompson has enrolled as a pharmacy student at Ferris Institute and Hentschell has resigned, it was reported.

If reactivation of the club is impossible the recreation board will undertake the operation of the municipal ski tow as a direct responsibility.

Board members approved a motion commending the city manager for work done at the new baseball field at the fairgrounds. City workers under Heideman have built a new diamond at the site, leveled and seeded the rest of the playing area and assisted in the erection of a new fence.

George Scheer Dies Saturday In California

George Scheer, a former well known resident of Manistique, died Saturday in Vista, Calif., it was learned here yesterday. He was about 66 years old.

Funeral services will be held Tuesday in Oceanside, Calif.

Scheer came to Manistique over 20 years ago and for approximately 15 years was foreman and linotype operator for the Tribune Publishing Company. He left about

Four Minor Boys Admit Series Of Burglaries

Two weekend burglaries and another unreported burglary earlier in the week were solved yesterday morning with the arrest by city police of four minor boys ranging in age from 11 to 13 years.

The youths admitted breaking into the Sigurd Anderson Zephyr Service Station, Arbutus Ave., Friday night and the Lawrence Foye Fruit Market, Walnut St., Saturday night. Both robberies took place near midnight following the close of the second show.

The boys entered the service station by smashing a washroom window. They took a money changer, about \$20 in change and a quantity of cigarettes.

At the fruit market, where entrance was gained by taking an eye screw from a rear door lock,

the youths rifled the cash register, taking about \$11 in halves and quarters.

Admit Other Thefts

Following their arrest the boys admitted to city police that they broke into the Manistique Oil Company, Deer St., at night time earlier in the week, taking several boxes of 22 shells, cigarettes and cigars. Entrance was gained by breaking a rear washroom window with a rock. They also admitted an attempt Thursday night to enter the Smith Central Market, River St., and said they also had planned to enter the Ekberg Tavern, S. Cedar St.

During questioning by state police yesterday the youths also admitted theft of two purses at Indian Lake State Park and the entering of the Park and Gardner Hotels some time ago.

The Manistique Oil Company robbery was not reported to police because the attendant who opened up the station the following morning failed to note any merchandise missing. He saw the rock which had broken the window lying on the washroom floor but attributed the window breaking to vandalism.

Both weekend burglaries had been reported to police.

Eye Screw Is Clue

First step in solution of the robberies took place about midnight Saturday when City Officers George Danko and Roert Walters spotted three young boys loitering and lighting cigarettes near the Mulhaupt Hardware, corner of Deer St. and N. Houghton Ave. The boys ran when the patrol car stopped but the officers quickly caught them and forced them to empty their pockets. Among the items found was an eye screw.

Sunday morning when the fruit market burglary and the method of gaining entrance were reported, the significance of the eye screw dawned on Officer Walters.

Officers Walter and Danko soon rounded up the three boys they had questioned Saturday night and, under questioning by city police and later by state police, the full story was revealed, including the name of the fourth boy involved.

The boys had cached most of their booty under a porch at Cloverland Lodge. With the exception of money they spent, much of the stolen merchandise was recovered and returned to its owners. Approximately \$7 of the money taken from the fruit market was recovered.

City police reported last night that the boys would be arraigned later in probate court. They were released yesterday following questioning to the custody of their parents.

ELKS MEETING

Wednesday, September 17
8 P. M.

Elks Temple

six years ago, locating in Vista.

He served in the Canadian army during World War I and was in action on the Western Front throughout most of the conflict. He was both gassed and wounded in action.

He leaves a step daughter, Mrs. Jack Curley, of San Bernardino, Calif. Mrs. Scheer passed away about two years ago.

Briefly Told
Church School Teachers—The church school teachers of the Presbyterian Church will meet in the church Tuesday at 8 p. m.
Prayer Circle—The Prayer Circle of the First Methodist Church will meet in the church Tuesday at 7:30 p. m.
Rebekah Lodge—Agnes Rebekah Lodge, No. 159, will meet tonight at 8 o'clock in the Legion club rooms.
VFW Auxiliary—The VFW Auxiliary will hold their social meeting tonight at 8 o'clock in the club rooms.
Bethany Society—Members of the Bethany Society of the Zion Lutheran Church are asked to meet in the church Tuesday at 7:30 p. m. for flower making.
Goodwill Club—The Goodwill Club will meet Thursday, September 18, at the home of Mrs. John Tennant at 2:30 p. m. Hostesses will be Mrs. Tennant, Mrs. Robert Michaels and Mrs. Russell Tennant.
Arrives In Philippines—Mr. and Mrs. Araham Sidback, 119 Pearl S., have received word that their son, T. Sgt. Edward D. Sidback, has arrived in the Philippine Islands. He was previously stationed at an air base near Minneapolis. He has been in military service for 12 years. His wife, who has been living in Wheaton, Ill., is expected to join him later in the Philippines.
Car Rolls Over—A car driven by Raymond Martin Hughson, 18,

of Manistique, incurred damage estimated at \$150 when it went out of control and rolled over at 3:50 p. m. Sunday on M-149, a half mile east of the Tom Tom. Hughson, traveling west, told local state police that he lost control of the machine when his left wheels slipped off the pavement while he was passing another car. Hughson was unhurt.

CRIME 'EVIDENCE'
WEST FRANKFORT, Ill. (P)—An early morning visitor to West Frankfort's dump found a hand and a foot and suspected a crime had been committed.
Sheriff's deputies soon solved the case with this report: There had been a hospital amputation and the hand and foot got into rubbish which had been dumped.

The output per man-day of the American coal miner has risen 32 per cent since 1939.

23 FT. STABILIZED AGGREGATE SURFACE COURSE, PLANT MIX, 4.03, ON M28 IN SCHOOLCRAFT COUNTY FROM ALGER COUNTY LINE 9.995 EASTWARD.

PROJECT F-75-7 (F 191 (14) Part 1; F 75-8, CL (F 191 (14) Part 2. Net classification required for this project is 19 D.

Sealed proposals for the construction of this project located in Escanaba and Seney Towns, Schoolcraft County, will be received from contractors having 1952 Michigan State Highway Department prequalifications, at the Michigan State Highway Department Office, Escanaba, Michigan, until 11:00 A. M., Eastern Standard Time on Tuesday, Sept. 16, 1952, and will then and there be publicly opened and read. Proposals may be obtained from the Upper Peninsula Office of the Michigan State Highway Department, Escanaba, Michigan. The work will consist of placing 2 1/2" stabilized aggregate surface course, plant mix, 4.03, together with other construction indicated thereto.

Contract date for entire project June 15, 1953.

The Department's Standard Specifications (1950 Edition), its current Soils Manual, the plans for this project, the special provisions governing subletting and assigning the contract and the employment and use of labor, and the proposal blanks (all of which are essential parts of the contract) may be examined at the branch office of the Department at Escanaba, Michigan, and at the Michigan Road Builders Association, Lansing, Michigan, but may be obtained only at the office of the Contract-Estimate Engineer, 222 Townsend Street, Lansing, Michigan.

Proposals must be submitted to the office of the Michigan State Highway Department, Escanaba, Michigan, up to 3 P. M. of the day preceding the opening of bids. A fee of three dollars will be charged for furnishing plans or proposal blanks, which will not be refunded.

Full cooperation in carrying out the special provisions will be required. Minimum wage paid to labor employed on this contract shall be as follows for Zone 3: Skilled labor \$1.65 per hour. Intermediate labor \$1.10 per hour. Unskilled labor \$0.90 per hour. Other rates as listed in the proposal.

A certified or cashier's check on an open, solvent bank, in the sum of \$500.00 payable to Charles M. Ziegler, State Highway Commissioner, must accompany each proposal. All such checks will be returned promptly after the bidding, except that of the lowest bidder will not be returned until execution and delivery of the contract to the State Highway Department.

The award is reserved to reject any or all proposals.

Translate Bible For Solomon Islanders

SYDNEY, Australia (AP) — The British and Foreign Society will soon publish a translation of the complete Bible by a group of comparatively uneducated Solomon Island natives.

The translation, into Ulesaghi, a language spoken by thousands of natives who live on islands surrounding the Marovo Lagoon in the Western Solomons, has been made by three Seventh Day Adventist native teachers and an Australian Adventist missionary.

They'll Do It Every Time

By Jimmy Hatlo

TAKE SOME OF YOUR STUFF OUT SO WE'LL HAVE ROOM FOR OUR FISH, WILL YOU, JOE? AN, SAY—HAVE YOU GOT SOME WAX PAPER YOU CAN WRAP EM UP FOR ME...

YEAH! WE'VE GONNA GIVE YOU A SLICE, Y'KNOW—THIS'LL KEEP FOR YEARS IN HERE. WONT IT, PAUL?

JOELL CUT THIS UP FOR ME, ESTHER. I'VE STORED IN HIS FREEZER...

How much good do you get out of your own freezer?

Boo's and Her Buddies

In This Corner

With Ray Crandall

Escanaba High School and St. Joe grid coaches were pleased with the performances of their teams over the weekend, although neither won its game. The Eskymos held a favored Ironwood team to a 0-0 tie in what Coach Joe Milokna called "the best high school game I've seen." And the under-manned St. Joe Trojans, rebounding from a 31-0 opening loss to Gladstone, gave the Stambaugh Hilltoppers a scare before falling 13-0.

We were unable to make the long trip to Ironwood Friday night, but all reports indicated that the Eskymos played the type of ball they are capable of. Pete Peterson, Ironwood Daily Globe sports editor, had nothing but praise for the Eskymos following the game. "They really protected that coal line with grim determination," he told us Saturday morning by telephone. Everyone who saw the game credited Dick Peterson, Escanaba's powerful punter, with doing a lot to hold the Red Devil's strong offensive attack at bay. Peterson booted Escanaba out of danger a number of times in the first half when Ironwood was knocking on the Eskymo goal line.

We saw the Trojans first hand at Stambaugh Saturday night. Hilltopper grid fans, who regard their domain as the incubator of football in the Upper Peninsula, gave grudging admiration to the battling St. Joe team which was much smaller throughout than the Hilltoppers. "We didn't expect anything like that out of your little line," one veteran football fan exclaimed after the Trojans' forward wall had held Stambaugh deep in its own territory throughout the fourth period.

The whole Trojan team played rugged ball and it probably wouldn't be fair to name only a few of the stars. But in the dressing room after the game Stambaugh players said they had the most trouble with Bob Bergeon and Tom Brien in the line and John Martinac, bruising fullback who joined the team for his first game Saturday night, in the Trojan backfield.

It only shows you that a football team doesn't have to win ball games to gain the respect of fans and coaches. Although neither Escanaba team won over the weekend, both gained a world of respect on their road trips. If they continue to put out that brand of football, local fans can be mighty proud of both teams, regardless of season records.

Stambaugh Halts Trojan Bid 13-0

By RAY CRANDALL

STAMBAUGH — The St. Joe Trojans of Escanaba invaded the lion's den of the Menominee Range Conference, rated the roughest football circuit in the Upper Peninsula, and earned the respect of every one of the 3,500 spectators who jammed Nelson Field stadium here Saturday night.

The Stambaugh Hilltoppers, unbeaten last season and the accepted king pins on the rugged Range year in and year out, levelled their heaviest guns on the out-weighted Trojans but settled for a shaky 13-0 victory.

The huge crowd sat stunned as the Trojans rebounded from an early touchdown in the first period and battled back with a ferocity that had Stambaugh reeling on the ropes in the final quarter.

Fumbles Hurt

Only fate in the form of fumbles kept St. Joe from crossing Stambaugh's heavily guarded goal line. In the first quarter St. Joe lanced deep into Stambaugh territory only to fumble and lose possession on the six-yard line.

In the second quarter the Trojans were back in Stambaugh territory again and worked the ball to the 10 before another fumble gave possession to the alert Hilltoppers.

Again in the third quarter St. Joe drove to the Stambaugh 30 and fumbled, with the Hilltoppers recovering.

The entire fourth quarter was played in Stambaugh territory as the Trojans drove to the 17, to the four-yard stripe and to the 28. Stambaugh was able to get the ball

no farther than its own 42 yard line in the fourth quarter.

St. Joe came out of the clash, first with the Hilltoppers, with an edge in first downs and passing. The Trojans registered four first downs rushing, four passing and two by penalties while Stambaugh counted for seven by rushing and one by penalty.

Quick Touchdown

Stambaugh took the opening kickoff and quickly moved across the midfield stripe with Bob Frankalucci carrying the mail. Frank Zanon and Chuck Greenlund alternated with the ball to reach the St. Joe 12-yard line. On a fourth-down running play Frankalucci was thrown for a seven-yard loss by Jim Gravelle and St. Joe took over on the 23. St. Joe was forced to punt and Stambaugh rolled to its first touchdown in four plays from scrimmage. Frankalucci scoring on a 12-yard sweep around right end. He added the conversion to give Stambaugh a 7-0 lead.

Fullback John Martinac took the following kickoff and returned 10 yards to his own 36 from where halfback Bob Sendenburgh cut off right tackle and raced 58 yards to the Stambaugh six-yard line where he was brought down from behind by Frankalucci. Halfback Jim Gravelle got a poor handoff on the next play and fumbled going into the line, with Stambaugh recovering.

Unable to penetrate the St. Joe line, Stambaugh punted and Martinac returned five yards to the 50. The Hilltoppers drew a 15-yard roughing penalty and St. Joe lost

the ball on downs on the Stambaugh 37.

Early in the second period Martinac intercepted a Stambaugh pass on the 50 and bulled his way to the 38. Martinac and Gravelle carried to the 27 and Sendenburgh advanced to the 13 on ground gains. Martinac roared into the line and fumbled with Frankalucci recovering for Stambaugh on the 10.

Stambaugh drove to the St. Joe 31 before the half ended.

The Trojans were unable to

gain following the second half kickoff and Martinac punted to the Stambaugh 27. Brilliant defensive play, led by guard Bob Bergeon, drove Stambaugh back and the Hilltoppers punted back.

Gravelle and Sendenburgh rushed to a first down and Sendenburgh wrestled a 30-yard pass from Martinac out of the hands of two defensive men on the Stambaugh 30. Gravelle fumbled on the next play and Stambaugh took over.

Martinac gambled on a fourth

down pass which bounced out of Gravelle's hands and Stambaugh drove from the St. Joe 48 to a touchdown with Greenwood speeding around left end to score from 30 yards out. The conversion failed and Stambaugh led 13-0.

Early in the fourth period Martinac booted a 58-yard punt which rolled out of bounds on the Stambaugh eight. The ball stayed in Stambaugh territory until the final gun, but the Trojans failed to find the touchdown play.

Shortly before the game ended

the Trojans stabbed to the Stambaugh four-yard line. On fourth down Martinac fired a pass to Dick Cass but the lanky end caught the aerial beyond the end zone to nullify an apparent TD. Stambaugh took over on the 20-yard line.

For the Hilltoppers it was the third straight victory of the season. The Trojans have lost two straight and return to action next Saturday night in a home stand against Bark River-Harris.

Cards Tune Up With 4-2 Win

MANISTIQUE — The Manistique Cardinals tuned up for next Sunday's championship playoff opener by tripping Cooks 4-2 here yesterday.

Henry Archey, right fielder, led the Cards at the plate and in the field. Archey poled two doubles and a single to pace Manistique's 11-hit attack on Bert Lund who went the route for Cooks. Marvin Frederickson contributed three hits for the Cardinals.

Don Carlson worked the distance on the Manistique mound, scattering eight hits and fanning seven while issuing no walks. Lund fanned four, walked three and hit three batsmen.

It was a scoreless game until the fifth when the Cards scored two runs on three hits. Cooks tied it in the sixth when Tad Demars let a pop fly drop for a hit with two runs scoring on the play. Manistique came back with singletons in the sixth and eighth to post the verdict.

Manistique will hold a practice session at 6:15 Thursday in preparation for the playoff opener Sunday.

Pembine 32, Florence 0.					
Wausau 41, Marinette 7.					

Singclair, obtained from the New York Rangers in a trade for Defenseman Lou Reise, scored once and assisted Lindsay on a goal while skating in the position vacated by Sid Abel when he left to become coach of the Chicago Black Hawks.

Goalie Terry Sawchuk was in the Red Wing nets for the first 30 minutes, making 14 saves.

Forward Lou Jankowski, a rookie, bagged a pair of Red Wing goals and also was credited with an assist.

The Stanley Cup champion Wings will open the 1952-53 National Hockey League season on home ice Oct. 9, opposing the New York Rangers.

Chicago and Montreal open on the same date, earliest start in NHL history, in the Canadian city.

Powers, Undeclared Last Year, Loses Grid Opener

POWERS — (Special) — Coach Jerry Anzalone's Powers-Spalding Tigers saw their victory string snapped at six straight here yesterday afternoon as Lourdes of Marinette posted a 19-6 gridiron victory.

Powers was one of four undefeated Upper Peninsula high school teams last season. Newberry, unbeaten last year and named the Upper Peninsula champs, also lost over the weekend, falling 13-7 at Marquette. Stambaugh and Menominee, the other two teams carrying undefeated records from last year, are unbeaten yet this season.

The bigger Lourdes eleven was held scoreless in the first quarter as the clubs battled it out on even terms.

Intercepts Pass

But in the second period Lourdes fullback Harpe intercepted a pass thrown by John Henderson, Powers quarterback, and returned to the 40-yard line. Lourdes worked the ball over midfield and in five ground plays reached the two-yard line from where Harpe plunged over. Halfback Jerry Josephson plunged again for the extra point to give Lourdes a 7-0 margin.

Shortly before the half ended, Josephson hit end DeShane with a 14-yard aerial in the end zone. The plunge for the point failed and Lourdes led 13-0.

Neither team threatened in the third quarter. Lourdes fashioned its third touchdown drive early in the fourth period and Harpe cap-

ped the march with a line buck for two yards to paydirt. The extra point failed, Lourdes leading 19-0.

The Tigers, fighting both Lourdes and the clock, opened a 60-yard TD drive with quarterback Henderson taking to the air. He pitched a pass from his own 40 to right end Jim Sargent on the Lourdes. He lofted another pass to Jim Henderson on the 22 and interference was ruled on the play.

Final-Second TD

With time for only one more play, Henderson hit Ray Wells on the three and the Powers halfback stepped over for the TD. Another

pass for the point failed and the game ended 19-6.

The Tigers missed the strong running of halfback Don O'Neill, last year's leading scorer, who is out of action with a foot injury. Billy Wells led the Tigers' defensive play which was outstanding against Lourdes. The Marinette team opened the season with a 7-6 victory over Stephenson last week.

Powers returns to action next Saturday afternoon in a home stand against Rock. Coach Anzalone announced today that Negau-nee St. Paul has cancelled its game with Powers.

Marquette Ends Long Newberry Win Streak

MARQUETTE — (Special) — The longest winning streak in Upper Peninsula high school football came to an end here Saturday night.

The Newberry Indians, who had won 22 straight games since early in 1949, fell before Marquette Gravelle's Redmen, 13-7, to snap the fabulous streak generated by ex-coach Morley Fraser who left Newberry for a Lower Peninsula post this year.

Halfback Mickey Frazier scored all the Marquette points. He romped to a 70-yard touchdown on a quick opener, scored the extra

point and then registered again on a two-yard plunge.

Marquette had lost to Ontonagon and tied Munising in previous games this season. Newberry had defeated Negaunee 13-6 in its only other start this year.

The Stambaugh Hilltoppers, who got by St. Joe of Escanaba 13-0 Saturday night, now own the longest victory streak in U. P. grid circles. Coach Willard Anderson's charges have won 13 straight.

Ontonagon joined the ranks of three-time winners in the U. P. Saturday by belting Lake Linden 49-0. Iron River and Stambaugh also have three wins in U. P. games. Wakefield posted its third win, including one over Hurley, Wis., for the season by handing Houghton its first loss 21-6.

One of the most spectacular players in the U. P. this season, halfback Eddie Vergara of Iron River, sped to four touchdowns against Norway as the Redskins won 45-13 Friday night. It was the second time the 130-pound Philpino halfback scored four TDs in one game.

Iron Mountain indicated its strength with a 45-0 victory over Niagara, Wis., Saturday afternoon. Bessemer handed Crystal Falls its second loss, 27-6, and Powers lost its opener to Lourdes of Marinette, 19-6.

Hutch To Keep Manager's Job

DETROIT (AP)—Ex-pitcher Fred Hutchinson will manage the 1953 Detroit Tigers because the last-place team's top management notes an "improved spirit" among the players.

President Walter O. Spike Briggs announced Saturday that Hutchinson, who took over from Red Rolfe in July, would keep his job next season although he failed to get the Tigers out of last place and has seen his team lose 43 games while winning only 25.

For the entire season, Detroit has a 48-94 record.

Briggs said owners of the Detroit club were "pleased with the improved spirit which Hutch has inspired in the players and we are happy that he has agreed to continue as manager."

"We believe that the clubs prospects are much brighter and that the infusion of younger players into the lineup, under Fred's direction, will give the loyal fans of Detroit and Michigan a much improved performance on the diamond during the 1953 season," Briggs added.

Big Ten Stars Coming Around

CHICAGO (AP)—This is the semi-final week of grooming for the Big Ten football campaign and conference coaches generally are finding their stars rounding into form.

Wisconsin's Alan Ameche, for instance, appears ready to take up where he left off last season as a record-breaking freshman fullback. The brawny Badger, aptly named "The Horse" smashed to four touchdowns in a Saturday scrimmage.

In other weekend intra-squad frays, Minnesota's Paul Giel, Northwestern's Bobby Lauter, Illinois' Tommy O'Connell, Indiana's Lou D'Achille, Michigan's Ted Topor and Purdue's Dale Samuels all measured up to expectations.

Giel's injured leg was a question mark since practice began 10 days ago, but Saturday he uncorked a twisting 60-yard touchdown.

At Illinois, the Big Ten and Rose Bowl champions indicated their passing is ahead of their running at this stage. Eight touchdowns were produced through the air.

Iowa came up with a surprise—a fourth—string fullback, sophomore Jim Hatch, who figured in all three touchdowns as his Whites upset the Blacks, 19-14.

Notre Dame's Tom Carey threw two scoring passes to lead in the Irish quarterback scrap.

Escanaba Tops Perronville 3-0 For Tri County Crown

The Escanaba Bears took home all honors in the Tri County baseball league yesterday afternoon by trimming Perronville 3-0 for the playoff championship.

It was the second straight year in which the Bears copped the regular season title and then added the playoff crown to boot.

Playing with a patched-up lineup, the Bears backed young Jack Chriske's three-hit pitching performance with a solid eight-inn attack off Billy Vincent, who went the distance for the cinderella Perronville club.

Chriske had Perronville batters

Tigers Own Poorest Record Ever Posted

DETROIT (AP)—It is official now. The current Detroit Tigers are the worst ever.

The 6-2 setback which the Washington Senators handed them Sunday was the 94th of the season. No other Detroit team ever lost that many, although the 1920 and 1931 Tigers dropped 93 each.

Only two more losses and the 1952 Tigers are certain to finish in the cellar—where no other Detroit team has ended up.

Near Million Gate
Despite their 48-94 record, the Tigers appear certain to draw more than a million fans at Briggs Stadium. They're only 22,000

Packers Notch First Victory

KANSAS CITY (AP)—Green Bay's Packers lost on statistics, but won the football game, 13-7, from the Washington Redskins Sunday to register their first National League exhibition victory after four straight defeats.

Washington ran up 12 first downs to four for the Packers and gained 102 yards rushing to 52, but Green Bay turned Redskin lapses into a pair of field goals and a touchdown.

Getting the ball on the 17 in the first quarter, the Packers went to the front 3-0 on a field goal by Fred Cone. In the second period, they racked up a touchdown on Vito (Babe) Parilli's 30-yard pass to Ab Wimberly. Cone added the extra point. Bill Reichardt, former Iowa star, kicked a 42-yard Green Bay field goal in the third.

A poor punt by Ed LeBaron set up the touchdown play. It gave the Packers the ball on the Washington 30.

The Redskins' Chuck Drazovich scored Washington's touch down in the third period. George Thomas added the extra point.

Indians And Giants Fail Over Weekend

Yanks, Dodgers Appear Set

By JOE REICHLER
AP Sports Writer

The New York Yankees appear to have their fourth successive pennant wrapped up. The fast-fading Brooklyn Dodgers are ready to be taken but the New York Giants haven't the guns with which to do it.

That was the picture today following Sunday's activities which saw the Yankees win "the big one" from the Indians in Cleveland and the Giants miss a grand opportunity, to cut deeper into the Dodger lead.

With southpaw Eddie Lopat and righthander Allie Reynolds collaborating in fine style, the Yankees whipped the Indians, 7-1, to increase their American League lead over the Tribe to 2½ games. New York has 11 games left to play and Cleveland 10.

Three-game Edge
Although shut out 4-0 by the Cincinnati Reds, the Dodgers were

Allie Reynolds Ed Lopat

able to retain their three-game National League margin over the runnerup Giants when the third-place St. Louis Cardinals drubbed the New Yorkers, 14-4. The Brooks, Giants and Cards each have 12 games left to play. The Cards trail the Dodgers by seven games and the Giants by four.

In other results, the Philadelphia Phillies swept a twin bill from Pittsburgh, 5-2 and 2-1; Boston's Braves and Chicago's Cubs divided a doubleheader, the Braves winning the opener 1-0, and the Cubs taking the second game 3-2, in 10 innings.

Philadelphia's Athletics took two from the St. Louis Browns, 10-5

and 2-1; Washington whipped the Detroit Tigers, 6-2; and Chicago's White Sox nipped the Boston Red Sox, 4-3 in 17 innings.

Casey Stengel wouldn't call his Yankees "in" and Al Lopez wouldn't count his Indians "out," but the cold facts state plainly that if the Yankees win only six of their remaining 11, the Indians must win eight of 10 to tie.

Garcia Loser

Lopat and Reynolds limited the Indians to nine hits. Lopat was given credit for the victory. Mike Garcia, who hadn't been scored on in 30 innings, gave up four runs in the third inning during a four-hit barrage to be tagged with his 10th defeat. He has won 20.

A pair of rookies with less than a month of major league experience were the culprits in the defeats of the Dodgers and Giants. A grand slam homer by Jim Greengrass, the first homer of his big league career, accounted for all the Cincinnati runs as Herman Wehmeier stopped the Dodgers with six hits.

An 11-run explosion in the fifth inning snapped a 3-3 tie and enabled the Cardinals to administer the defeat to Dave Koslo, an old nemesis. Harvey Haddix, 26-year-

old southpaw, on terminal leave from the Army, went the distance for the Cards, permitting only four hits.

12 For Simmons

Curt Simmons and Russ Meyer each racked up his 12th win of the year as the Phils came from behind to beat the Pirates twice.

A two-out ninth inning homer by rookie Ed Mathews gave the Braves a first-game victory. Bob Schultz made it a split for the Cubs, helping to win his own game with a runs-scoring double in the 10th of the nightcap.

The White Sox hiked their third-place lead in the American League to a full game over the Athletics when Rocco Krsnch singled with the bases loaded in the 17th to score Sam Mele with the winning run against Boston.

The Athletics moved past the Red Sox into fourth place with their two victories over the Browns. Southpaw Bobby Shantz and Alex Kellner pitched the triumphs.

Con Marrero won his 11th as Washington pounded loser Ted Gray and Hal White for 13 hits. It was the 94th defeat for the Tigers, the most defeats ever suffered by a Detroit team.

Manager

Leader Training Course Planned

A four-day Girl Scout Leader training program is to be held in Delta County, divided between Gladstone and Escanaba, this week. It will be in charge of Miss Catherine Schirz, now community advisor assigned to work with Girl Scout Councils in the Upper Peninsula.

The opening meeting will be Tuesday afternoon at 2 at the Legion hall in Gladstone and is to be a gathering of active leaders. Tuesday evening at 7 in the Marine Room at the Hotel Ludington there will be a buffet supper and a meeting of all active and potentially active adults of the Delta County Girl Scout Council.

Wednesday from 10 in the morning until 5 in the afternoon there will be a training session for board members at the House of Ludington. Wednesday evening at 8 in the Home Making room at Gladstone high school there will be a meeting of Intermediate and Senior leaders to promote troop camping.

Sessions on Thursday will be at the Carnegie Public library in Escanaba. Troop committees will meet at 2 in the afternoon while in the evening at 8, Miss Schirz will meet with newly recruited leaders.

Friday evening the final session will be held in the Recreation Building at Gladstone at 7:15 and it will be a meeting of Senior Scouts and their leaders. International Relations has been proposed as a possible program for them.

U-Turns Banned At Delta & 11th

According to a new ruling, U-turns are now banned at Delta and 11th St., and the regulation which didn't go into effect until Saturday caused considerable confusion that evening.

Traffic signs reminding motorists NO U-TURNS were erected Saturday but many drivers were so used to turning at this point that they failed to see the signs.

It is now necessary to travel west of 11th St., in order to turn around on Delta avenue, drivers are advised by authorities.

Five Hurt In Car Collision

Five teen-agers were injured, two sufficiently to require hospitalization, in collision of autos driven by Mrs. Irene Eagle, 29, Brampton, and Harold Mosier, 17, Route 1, Rapid River, Saturday night at 10:15 on County Road 16 between Brampton and Rapid River.

According to information given Michigan State Police who investigated the accident the Mosier car, traveling easterly, veered into the path of the Eagle auto, hitting it in the left front and then continuing on into the ditch on the north side of the road. The Eagle car, traveling westerly, stopped in the ditch on the south side of the road. Mosier was ticketed by State Police on a charge of reckless driving.

There were eight occupants of the Mosier auto which was enroute to a picnic. There were 11 persons in the Eagle car.

Injured were Eileen Nelson, 13, Perkins, with possible back injury; Eunice Peterson, 14, Perkins, bruised upper left leg; Kathleen Depuydt, 13, Perkins, bruised forehead; Melvin Gustafson, 16, Rapid River, abrasions and bruises about head; and Larry Hermanson, 15, St. Nicholas, abrasions and bruises about the head.

The Nelson and Peterson girls were removed by ambulance to St. Francis Hospital.

City Briefs

Mr. and Mrs. Reno Norell, Ishpeming, are the parents of a daughter, named Jean Marie, born Saturday afternoon at 1 at Ishpeming. The child is the third in the family and the second girl. Mrs. Norell is the former Anna Sue Murker.

George Ryan has returned to Milwaukee following a weekend visit here with his family.

Miss Bette Ohman left Sunday for Kalamazoo where she is returning to school at Western Michigan college after spending the summer months at her parental home.

Miss Wanda Lee Vogt is leaving Tuesday for Waukesha where she will begin her junior year at Carroll college. She will be accompanied to Waukesha by her father.

Miss Pat Bolger has returned to Milwaukee following a weekend visit at her parental home.

Mrs. Francis Smith, 1402 Wisconsin avenue, is confined to St. Francis Hospital with pneumonia.

Mr. and Mrs. William Green, Fort Wayne, Ind., visited over the weekend with her parents, Mr. and Mrs. William C. Miller and his mother, Mrs. Ina Green.

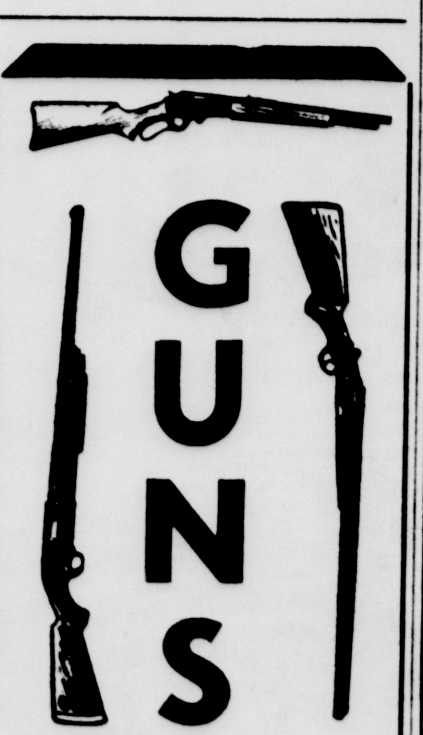

Gene Smith has returned from Milwaukee where he visited for a few days with friends.

Famous Gold Mine Draws Tourist Crowd

GRIPPLE CREEK, Colo. (AP)—The renowned Molly Kathleen Mine has hit the jackpot in two ways—in high-grade gold ore and in tourist business.

Supt. Lee Brown said gold production is steady but doesn't interfere with visits by tourists. Last year 15,500 visited the mine and this year the sightseers are keeping eight guides busy.

The visitors are taken 1,000 feet down in a shaft car, then guided about 1,800 feet into the workings.

Obituary

FRANK NYGREN

Funeral services for Frank Nygren, Rapid River, were conducted Friday afternoon at 2 in Calvary Lutheran church in Rapid River, the Rev. Wilbert Johnson officiating.

During the rites "Day by Day" was sung in Swedish by Rev. Johnson and "Sleep Thy Last Sleep" was sung by a choir composed of Mrs. Baskin, Kathleen Holmgren, Claire Sheffer, Rita Ross, Mary Lee Lind, eVra and Joanne Holmgren, Mrs. Walter Wilbee, Alice Holmgren and Elaine Johnson. Mrs. els Pearson was the organist.

Serving as pallbearers were Stone Anderson, Neils Larson, Harry Johnson, Ole Norman, Carl Stenlund and Theodore Johnson. Burial was made in the Rapid River cemetery.

Among the out of town persons attending the service were Clarence Nygren of Grand Rapids, Mr. and Mrs. John Sloan of Clio, Mich.; Mr. and Mrs. Vernon Howard of Chicago, Mrs. Ed Olson of Ensign, Mr. and Mrs. Ray Nygren, Mr. and Mrs. Felix Nowakowski, Harland and Chester Nygren of Marquette and Milford and Merlin Nygren of Chicago.

Philip Gagnon, Gladstone, Dies

Philip J. Gagnon, 66, of 1406 Delta Ave. passed away Sunday at 12:45 p. m. in St. Francis Hospital. He had been a patient there for the past two weeks and critically ill for the past seven days.

He was born in Wilson May 27, 1886 and came to Gladstone as a boy 57 years ago. In later years he moved to Nahma where he was a stationary engineer for the Bay de Noquet Lumber Company. He moved back to Gladstone in 1931.

Surviving him are his wife, Clementine; four sons, Reynold, Arnold, Philip Jr., all of Gladstone, and Alvin, a serviceman; two daughters, Mrs. Charles Narkooli (Lois) and Mrs. Wilfred Hardwick (Verna) of Gladstone; his mother, Mrs. Josephine Gagnon of Gladstone; one sister, Mrs. Frank Artley, Gladstone; and two brothers, William of Cedarville, Mich., and Joseph of Marquette, Mich.

He was a member of All Saints Catholic Church.

The body was removed to the Skradski funeral home. Funeral arrangements are incomplete pending notice of the arrival of Alvin Gagnon.

Stranahan Wins Western Amateur

CHICAGO (AP)—Frank Stranahan has carved a niche for himself in the Western Golf Association's hall of fame by winning the group's amateur championship for the fourth time.

He joins such old timers as H. C. Egan and Chick Evans as the only men to make such a monopoly of the coveted Western Amateur crown.

Shortly after the turn of the century Egan won it four times, and then Evans captured it eight times. Stranahan, who has won about every amateur title but the National, defeated Harvie Ward of Atlanta 3 and 2 yesterday in a scheduled 36-hole windup of the 50th meet. He did it with spectacular recovery shots.

Ward, who walloped Frank 6 and 5 for the British Amateur title last June at Prestwick, Scotland, lost the first hole when the Toledo millionaire's son holed out a 40-foot eagle 3 putt. Ward never was able to take the lead or ever square the match thereafter.

After a blistering three-under-par 68 in the morning, Stranahan finished the 34 holes in even par while Ward was four over for the distance.

Sports Mirror

TODAY A YEAR AGO—Billy Maxwell, 22, of Odessa, Tex., defeated Joe Gagliardi, Mamaroneck, N. Y., to win the U. S. Amateur Golf Championship.

FIVE YEARS AGO—The New York Yankees clinched the American League pennant as the Chicago White Sox defeated the Boston Red Sox, 6-3.

TEN YEARS AGO—The St. Louis Cardinals edged the Philadelphia Phils, 3-2, in 14 innings and increased their lead to two games. Murray Dickson in relief, got the win when he singled and scored on Jimmy Brown's double in the 14th.

TWENTY YEARS AGO—Jesse Guilford defeated Chick Evans, 5-4, in the quarter-final round of the U. S. Golf Championship.

Don Barksdale of the Baltimore Bullets is in California where he is a radio and television disc jockey in Oakland.

Cincinnati Manager Rogers Hornsby belted 40 home runs for the Chicago Cubs in 1929.

Two Ineligible Colleges Rated With Nation's Best

By HUGH FULLERTON JR.

NEW YORK (AP)—Two colleges which aren't eligible for their conference championships this year are among the best bets to win sectional football honors this year.

They are Michigan State, a member of the Western Conference but not eligible to win the football title until 1953, and Maryland, serving a year's suspension from Southern Conference competition.

Those two Georgia Tech and Oklahoma were the four institutions which dominated the Associated Press pre-season poll of newspaper and radio sports experts to pick the probable leaders in each section of the United States.

Illini Rated High

Michigan State was listed in the first spot by 31 of 51 Midwestern selectors and, on the basis of five points for first place, three for second and one for third, polled a total of 171 points. Illinois with 12 firsts and 130 points topped the teams eligible for the Big Ten championship, followed by Wisconsin with six firsts and 81 points.

Notre Dame, picked first by two balloters, polled 42 points to lead the entirely independent Midwestern teams.

In Southern Conference territory, Maryland gathered 27 first place votes and 145 points. Second was Duke with four firsts and 56 points. Then came independent Virginia with 25 points and Clemson, like Maryland under suspension for vio-

lating the conference anti-bowl rule, with 22 points.

Georgia Tech collected the biggest vote of all — 39 firsts and 241 points — and nearly doubled the point total of its nearest Southern Conference rival, Tennessee.

West Virginia more than doubled the next-best figure in the Skyline-Rocky Mountain area and Oklahoma wasn't far under that margin.

Tennessee's second-place figure in the Southeast, where only six of the voters picked the Vols first, was 122 points. Wyoming drew six of the eight first-place and 37 points to Utah's 15. In the Midlands, Oklahoma was named first by 32 voters for 186 points. Then came Kansas with seven firsts and 106 points and Tulsa of the Missouri Valley Conference with one first and 32 points.

In other sections the somewhat closer voting races shaped up this way:

East — Pennsylvania 10 firsts 58 points; Holy Cross (4) 32; Princeton (1) 28, with three scattered widely.

Southwest — Texas Christian (11) 78; Texas (6) 63, and Southern Methodist (27) 27. Texas Tech with three firsts and 18 points was the choice of those who limited their voting to the Border Conference area.

Pacific Coast: California 9 65; Washington State (4) 43; Southern California (4) 31, and UCLA (3) 27 drew most of the support.

Sports Roundup

By HARRY GRAYSON
NEA Sports Editor

NEW YORK (NEA)—Ancients can't recall a major-league club fighting for a pennant with pitching as poor, in both quality and depth, as that of the current Dodgers.

If the Brooks stagger in, Charles Walter Dresen will have discovered the axiom of Connie Mack and other pundits that pitching is from 75 to 90 per cent of baseball.

Charles Dresen should then be duly accredited with the managerial job of the year, as he starts worrying about who's going to pitch for Brooklyn in the World Series.

When, after he won his 11th game, Aug. 3, Carl Erskine started gripping his right elbow and saying, "Ouch!" the Superbas' pitching practically was reduced to young Billy Loes, Preacher Roe and their finest relief pitcher since Hugh Casey, Joe Black.

Manager Dresen of necessity started toying with the idea of starting Black, who is responsible for 25 of the Dodger's victories. The towering Morgan State right-hander, called on nearly every day, was going six or seven innings, anyway, might just as well save a much less dependable workman the trouble of warming up.

Dresen knew he had a pitching problem when the Army called gigantic Don Newcombe, the 20-game winner of 1951.

Yet the Dodgers had a 10½-game bulge as recently as Aug. 27. Just like last fall.

Hurling Hypochondria

Loes, the bonus baby, turned out to be a pleasant surprise, and Ben Wade, a 29-year-old re-

cruit from the Pacific Coast League, proved a find. Erskine and Roe, although the 34-year-old left-hander started shakily, completed what passed as a Big Four at the outset.

Wade, who had been fading after seven innings, started to fade right away. The fast baller hasn't finished since July 24. That left Erskine, Loes and an unreliable Roe. Dresen had all but given up on Black in the Spring, but suddenly found him a lifesaver as a fireman.

The Dodgers' most serious ailment is said to be hypochondria, and Dr. Dresen tired of treating Ralph Branca, Clem Labine and Johnny Rutherford, the latter so highly recommended by St. Paul. While he had a habit of losing big ones, Branca has been a good winner since bagging 21 in 1947.

Labine's Knotty Problem
With two or three pitchers complaining of arm trouble, Dresen became disgusted, and those close to the situation say he took it out on Branca. The New York University alumnus, who has the stuff to be a great pitcher, worked very little for a month before being put on the disabled list, July 27, to remain until Sept. 1. He's toiled only two or three innings since.

Labine's extraordinary curve developed a knot on his forearm each Spring, but it went away in a couple of days. This time it didn't. He started favoring it. Dresen got down on him. The boss was annoyed when Rutherford kept saying he wasn't ready while being assigned sparingly.

Reinforcements came in Ray Moore, who walked almost a man an inning; soft-baller Joe Landrum and Ken Lehman, a southpaw who is not too fast. Bespectacled Clyde King tailed off as a fire fighter last season.

Little wonder that the sweat again began to show on the Dodgers' bat handles.

Carl Erskine

thing more than 300 pounds. Working under broiling 95-degree temperature, individual weight losses ranged from a pound or two to the 11 pounds dropped by Ken Shields, 233-pound Detroit tackle.

Varsity Scores

With veteran Ted Toper calling the signals, the Wolverine varsity scored with relative ease, featuring the running of Halfbacks Ted Kress and Frank Howell and the line plunges of Fullback Fred Baer.

Howell and Kress each scored twice, with single touchdowns being registered by Baer, Tony Branoff, Jim Bates and Dick Balzhiser.

Russ Rescorla converted after every touchdown.

Longest touchdown run of the day came when Branoff, a highly promising wingback from Flint, intercepted a reserve pass and scampered 68 yards.

Foxy Flumere, Brandeis University assistant football coach, formerly coached three sports at Northeastern University.

Harry Gallatin of the New York Knickerbockers is spending his second summer studying for his masters degree in physical education at the University of Iowa.

Wolverines Will Iron Out Scrimmage Errors

ANN ARBOR (AP)—Michigan's football squad returned to the practice field today to eliminate some of the weaknesses noted in Saturday's full-scale scrimmage in the Wolverine stadium.

Coach Bennie Oosterbaan said his squad "showed flashes of good football" in scoring eight touchdowns while holding the reserves to one.

"But we need more organization," he said, "particularly on offense."

Offensively, said the Michigan Coach, the Wolverines were pretty good "at times," but didn't put a consistently good attack together.

Oosterbaan declined to single out any players for praise.

More Fundamentals

He promised more general fundamentals in twice daily practice which he expected would run at least through Tuesday. The squad will be excused Wednesday morning for registration, with only an informal session likely in the afternoon. And from there on until the opener Sept. 27, he said, Michigan may revert to once-a-day practices.

Oosterbaan happily reported no injuries were incurred in the tough two-hour scrimmage. Chief effect was a squad weight loss of some-

Stars Can't Afford To 'Go Hollywood'

By BOB THOMAS

HOLLYWOOD — Is the phrase "Going Hollywood" becoming obsolete?

Not many years ago, everyone knew what it meant to go Hollywood. It immediately brought to mind a starlet who found fame overnight and blossomed out with mink-lined swimming pools and block-long limousines. But that de-

Rock

ROCK — Howard Aalto was elected president of the West Rock 4-H Club at a Parents' Night meeting held at the Ewing Township Hall. Other members elected to office are: Doris Hill, vice president; Helen Hallinen, secretary; Linnea Johnson, treasurer; John Louman, reporter; Joyce Aalto, recreation leader; Nancy Saari, song leader. An advisory council, was chosen with appointments being made from the parents, club leaders and officers. Members are Mr. and Mrs. Waino Bakka, Elmer Linjala, Mrs. Arvo Johnson, Mrs. Reino Niemela, Doris Hill, Joyce Aalto, Howard Aalto and Helen Hallinen.

Members of the West Rock 4-H Club are anticipating a very active winter season with projects and their leaders — announced as follows: photography, Mrs. Waino Bakka; clothing, Mrs. Ray Watts; food preparing, Mrs. Elmer Linjala; deer yard study, Gilbert Larson; general leader, Mrs. Reino Niemela, general junior leader, Helen Hallinen; junior leader (clothing), Joyce Aalto; junior leader (deer yard study), Howard Aalto.

Plans for a 4-H Jamboree which will be held at the Rock High School on Saturday evening, Sept. 20, were completed at this meeting. Following the business session club leaders were presented with gifts for their fine work during the past season.

Club members motored to Gwinn recently where they attended a 4-H picnic. Awards were presented to the boys and girls for their summer projects and Helen Hallinen was honored with a special award from the 1951 National 4-H Dairy Achievement.

Classes In Music

Music instructors for piano and accordion, Manley Anderson and Bill Hewitt of Escanaba, will be at the Rock High School Wednesday Sept. 17 at 9:30 a. m. All students who are interested in taking piano or accordion lessons should register at this time.

scriptive phrase seems to be fading from the American language. Janet Leigh gives a hint as to why: New stars can no longer afford to go Hollywood.

Salaries Trimmed

I chatted with Miss Leigh at the North Shore Tavern at Lake Arrowhead, where she and a few other free-loaders attended the premiere of "Just for You," the Bing Crosby-Jane Wyman workout. Above the din of the celebrants, we were discussing the good old days in Hollywood and the good new ones.

The question arose: How can today's film stars, hampered by lower salaries, higher taxes and bulging expenses, put up a front and appear to live like film stars? because it just isn't possible financially.

"They can't," Miss Leigh replied flatly. There's no sense in trying because it just isn't possible financially.

She went on to describe how she and her husband, Tony Curtis live. It's a Spartan life, compared to the lavishness of former days in Hollywood.

"We live in a one-bedroom apartment," she remarked. "We never go to the night clubs. Only recently have we gotten to the point where we each own a car."

"I don't lavish money on clothes. I bought some dresses in New York last year and I'm still wearing them. The last dresses I bought here in Hollywood were last March. Because clothes are necessary in my business, I can deduct a certain percentage of the expense on my income tax. But they still cost money to buy."

Having two paychecks coming in is no advantage, she added, it merely means more tax going out. And they have numerous expenses.

"We must have a maid," Miss Leigh remarked. "I can't leave the apartment at 6:30 in the morning, return at 7 at night and do the cooking and housework. We must have a secretary. And we have to hire our own fan mail service. The studios will help us answer letters, but they won't handle postcards. We feel postcards are just as important, and so we take care of answering them ourselves."

"This year we had serious drains in our finances. Tony's father was very sick. Tony was on suspension from his studio. And he was sued by an agent in New York. To avoid a long and expensive suit, we settled for \$5,000. It takes a long time for us to make \$5,000 in the clear."

Perronville

PERRONVILLE—Allan Schoen, John Petrick and Michael Sape of Perronville have left for Houghton where they will attend the Michigan College of Mining and Technology. All three are Harris High School graduates of this year. Francis Bartoszek and Rayne Charboneau, also of Perronville, are leaving Sunday to begin their sophomore years at Michigan Tech.

School Attendance Is Up

The Perronville school is in its second week of the fall semester. Thirteen third graders from Schaffer enrolled Friday because of the crowded condition of the Schaffer school. There now are 119 children enrolled in the local school with approximately 30 pupils in each of the four rooms.

Leonard Nault, music supervisor of the Bark River-Harris schools will teach music appreciation and singing every Wednesday forenoon.

Briefs

Mrs. Lucille Walls, Mrs. Margaret Burke, Mrs. May Clegg and Miss Mildred Walls of Oak Lawn, Ill., spent the weekend at the home of Mr. and Mrs. Frank Janik.

Mr. and Mrs. Robert Fisher and son David of Chicago were guests of the Frank Janik family. The Misses Frances and Geraldine Franczyk who spent the summer vacation at the Janik home have returned to Chicago.

Mrs. Walter Kolodziej, son Walter and daughter Betty Jo have returned to Chicago after a month's visit with her parents, Mr. and Mrs. John Blonair.

Mrs. William Burke of New York City visited at the Devine home and accompanied Miss Mae Devine on her return to Detroit following a summer vacation at her home near Perronville.

Mrs. Alfred Schoen has returned from Milwaukee where she attended the graduation of her daughter Jean from St. Mary's Hospital School of Nursing.

Mrs. Frank Bartoszek and Mr. and Mrs. Ben Yagodzinski motored to Chicago Wednesday morning to visit Mrs. Joseph Kolodz who is seriously ill. Mrs. Kolodz is the former Mary Bartoszek.

An eminent Pennsylvania doctor has said that the average man of 50 has eaten 50 tons of food.

Stella Walsh Freed In Petty Theft Case

GLENDALE, Calif. (AP)—Former women's sprint champ Stella Walsh, 41, accused of petty theft, was freed yesterday when the charge was dismissed for lack of evidence.

The city attorney moved for the dismissal after a Glendale food store manager accused her of taking \$1.44 worth of food without paying for it.

Miss Walsh, who won Olympic titles while running for Poland, now resides in nearby La Crescenta.

Schaffer

SCHAEFFER — Dorothy Meyers left Tuesday for Chicago following a three weeks vacation with her parents, Mr. and Mrs. Ed Meyers. She will start her work as a registered nurse at Ravenswood Hospital.

Visitors at the Joe LeBeau home were Mr. and Mrs. Earl LeBeau of Niagara, Mrs. Ed Betters and son of Spalding and Mr. and Mrs. Elmer St. Cyr of Appleton. Mrs. Pamela Forgette returned here with them after visiting relatives in Appleton.

John DuBrock of Detroit visited at the Vernon DuBrock home this week.

Homer Seymour Jr. and Joe Liss made a business trip to Chicago Monday.

Word was received by Mr. and Mrs. Ed Taylor that their son A-3C Melvin Taylor is leaving for Germany. Melvin joined the Army Air Force March 6 and received his training at Camp Gordon, Ga. Following his furlough in July he was stationed in New Jersey. He is serving as an Air Police.

Mr. and Mrs. Joe LeBeau attended the wedding of their niece in Nadeau Saturday.
